

**Respect, courage, tolerance, collaboration,  
resilience and kindness.**

### **About Lyde Green Primary School**

Lyde Green Primary is a fresh and exciting school that opened its doors in 2015 and has plans to extend into an additional school site with a partner secondary school. It is purpose built with fantastic resources and facilities including an outdoor classroom and forest school, as well as Chester the school dog!

The staff at Lyde Green are passionate about sparking curiosity in their students and work hard to ensure children remain challenged, motivated and engaged.

Lyde Green is also home to a one of a kind Access Centre, which is a specialist provision for pupils with additional needs.

The school is next to Lyde Green Community Association, which boasts a great coffee shop and runs regular classes, evening events and social meet ups.

### **What's nearby...**

Just round the corner you'll find a retail park consisting of a Sainbury's, Boots, Argos, Iceland, Subway, Costa Coffee to name a few. There's a David Lloyd sports club a 5 minute walk away if working up a sweat is your kind of thing. The school is very accessible from the M4 and the A roads.

### **Parking**

Free parking is available at the school.
