HEAD OF HOUSE WELCOME

Welcome to Wymondham College!

Wymondham College is a thriving, exciting and diverse place to work and live. The boarding aspect of the College provides an opportunity for people to develop a greater understanding of pastoral responsibilities whilst maintaining academic involvement and of course, getting to know and support the young people who learn and live here.

I, myself, started my career as a Residential Fellow. This was a precursor to the current Boarding House Assistant role with similar responsibilities. The experience I gained piqued my interest in education and I went on to hold several boarding roles and gain my teacher training degree before obtaining my current role as an Assistant headteacher - Head of House. In previous years, many of our Boarding House Assistants have gone on to gain their Teaching qualifications, take on roles in other boarding schools and followed pastoral routes at other schools both within and outside the county.

Working in boarding is hugely rewarding. The staff are deeply committed to providing the best possible care for the students whether that involves helping out with prep in the evenings, providing fun and entertaining activities at the weekends, going on trips and assisting the extra-curricular clubs programme, or being in house to supervise toast and biscuits! Boarding houses are like families – they look out for each other; they support each other and they celebrate achievements together.

I look forward to you joining our wonderful boarding family.

Mr L Summers - Head of Cavell Hall

“ I love boarding because it has helped me become more independent. My teachers and boarding staff have helped my confidence grow and I love that it feels like one big family. ”

Year 9, Cavell Hall
