

Business Studies & Finance Department

JOHN COLET SCHOOL

The department staff work across two well-equipped classrooms sharing a trolley of Chromebooks. We are proud to consistently be one of the highest performing departments within the school and indeed nationally.

The team of Business Studies teachers currently comprises two specialists. Due to the relatively small department team work is crucial and has been an integral part of our recent success.

At Key Stage 4 the department currently offers AQA GCSE Business Studies, taught over 3 years.

Post-16 the department currently offers AQA A Level Business Studies and the LIBF Certificate and Diploma in Finance. At Key Stage 5 we are a popular subject and are very well resourced.

Extra-curricular the department has entered many highly successful Young Enterprise businesses and the National Enterprise Challenge. We also work closely with a number of local organisations to offer our pupils full year group Enterprise Events.

As part of the department you will be joining a forward thinking department led by an ambitious subject team leader. You will be a person joining a team that strives to do the best by each and every student.

Suzanne Atkinson
Head of Business Studies
