Message from Paul Jackson, Headteacher

Thank you for your interest you have shown in the role of **Business Teacher** here at The Thomas Aveling School. I really hope you find the pack of interest and what we say about the school exciting – we certainly love the place!

Thomas Aveling is a great place to work and develop yourself further. The support you receive from colleagues is amazing, both formally and informally. There is a great atmosphere in school where everyone shares in the success of others, wants the very best for our students and really does leave no stone unturned in our support for our students and each other. Please see our 3 most recent OFSTED reports for an independent view of what we do at this marvellous school. There are some things – like being a happy school – that shine through over the period of 12 years that these reports cover.

The Thomas Aveling School is one of nine secondary-modern schools in the Medway area. We were the first High School in Medway to be allowed to convert to an Academy as a single establishment; this enabled us to spend additional funds on the needs of our school and hence improve achievement faster. We have since merged with another local Academy Trust and are now one of 5 schools in the Beyond Schools Trust. This provides all staff with additional opportunities to mix with colleagues from other schools and take part in cross-Trust initiatives – providing an extra dimension to your development.

Through the selective system, the top 30 percent of potential students are admitted to local Grammar schools through Medway's selective process rather than to the secondary modern schools. Due to our excellent local reputation, we are regularly oversubscribed by a factor of 3 to 4 applications for every place in Year 7. Our work on raising aspirations is impressive with many students achieving way above any expectations we might have based on prior attainment.

Our increasing success at Key Stage 4 (Progress 8 always in the top 20% of ALL schools nationally) has resulted in our Sixth Form expanding. Students are able to choose to study over 25 subjects, combining academic and vocational qualifications, this is further extended by our collaboration with the grammar school in our Trust.

Success in Level 3 courses has risen dramatically to almost a 100% pass rate and the average academic grade has risen to a C+ and the average vocational grade is a Distinction+. We are now ambitious to crack into the average of a B grade for our academic subjects. We have students applying to top universities each year including Oxbridge – this being from a base where most children upon entry in Year 7 would not be expected to complete level 3 courses.

The school draws its students from across the whole of the Medway area. The majority live in rented accommodation and the proportion from advantaged backgrounds is much lower than average. This is a school where you really do feel that you make a difference every day!

I hope you find this application pack informative.

Visits to the school are highly encouraged so that you can see the school in action. If you wish to arrange a visit to the school or you wish to discuss the role further, contact details can be found on the Recruitment Process page of this pack.

I look forward to receiving your application.

Headteacher

About The Thomas Aveling School

The Thomas Aveling School is a very successful non-selective mixed school; we are a happy school, a school for all abilities and a school for the local community of Rochester.

We create a culture of high expectations and success for all students and staff. This is grounded in a supportive ethos where each student is treated as an individual, with their needs and ambitions supported by a great pastoral and children's team. A student's well-being is of equal importance to their academic progress, the support we offer is outstanding.

As well as supporting students of all abilities to make fantastic academic progress, Thomas Aveling provides an excellent all round education valuing Music, Drama, Sport and the Arts highly with exceptional facilities – we regard these subjects as providing the soul of the school and give students additional opportunities to excel. The standard of teaching at the school ensures strong progress is seen in the core subjects of English, Maths and Science without affecting the time given to creative and practical subjects - students enjoy the full breadth of experiences.

As a previously designated Training School, we take staff development very seriously. We are a leading and founding member of Kent and Medway Teacher Training. We lead the Medway Valley Partnership of training schools, and over 15 teachers are trained every year at Thomas Aveling, many of whom are then employed within Thomas Aveling or the wider Trust.

We have the very highest expectations of all within Thomas Aveling and work closely with parents to maximise achievement and to develop young people into caring, successful adults. We are very proud that when students leave us aged 18 (or 16 in the minority of cases) that they often go onto further study at University, specialist colleges or enter high quality careers in several areas. Our students are successful due to the talent and tenacity of the staff at Thomas Aveling raising the students' aspirations and expectations and never letting them settle for being alright.

As part of the Beyond Schools Trust, we play a pivotal role in enhancing educational opportunities for over 4000 young people in Medway. We believe that all involved in Thomas Aveling work and achieve best when happy; students are given considerable say in their education, for example choosing their option subjects in Year 8, choosing extra-curricular activities early in Year 7 and having the chance to take part in the Student Council. We have high expectations of all our students and considerable work goes into raising the aspirations of all - aiming high in everything we do.

Our Aims & Values

Everything we do as a school is grounded in our 5 Student Virtues – the characteristics we want to develop in all our students – Ambition, Resilience, Respect, Pride and Creativity. Students are given a massive range of opportunities in and out of the classroom to develop these virtues.

- To embrace students of all abilities, enabling each one to achieve their very best
- To provide inspirational teaching and learning for the young people at our school within a caring environment
- To reward all achievements
- To offer challenging experiences
- To develop qualities of self-discipline, integrity, respect, honesty, trust and compassion
- To develop an effective partnership with all parents
- To encourage links with, and an understanding of, industry and commerce
- To prepare students for the responsibilities, opportunities and experiences of adult life

Thomas Aveling offers a huge range of CPD and supported development opportunities. The school has a strong track record of developing leaders. Through its excellent middle leader and senior leader CPD programme, experienced staff can rapidly gain the training and experience necessary to become a successful leader. This role would provide excellent experience for the right candidate to further develop their teaching and leadership skills.

Business Studies is consistently the most popular optional subject at Thomas Aveling. We have a four class entry in Key Stage 4 and two class entry in Key Stage 5. It is a well-established department with an experienced, friendly and supportive team of three teachers. The department is well resourced in all areas, with both IT classrooms and traditional classrooms as well as plenty of teaching resources for all elements of the qualifications we deliver. In Key Stage 4 the Pearson Edexcel GCSE in Business Studies is delivered. In Key Stage 5 the BTEC National Extended Certificate and Diploma is delivered with outstanding results.

We are seeking an applicant who can:

- Teach GCSE Business in Years 9-11 and BTEC National Business in Years 12-13, preferably with some experience in these qualifications.

- Be passionate, committed, hard-working and a team player.
- Assist in expanding the range of extra-curricular activities within the Business department.

It is the aim of the Business Studies department to not only help students achieve academic success, but also to help them to develop an appreciation of the business world and to encourage them to be inquisitive and independent learners, ready for the challenges of future academia. A large percentage of our Sixth Form students go on to study Business in further education.
