Outstanding
Provider

Challenge, Wellbeing, Teamwork

Dear Candidate,

Thank you for expressing an interest in the post of Business, Computing and ICT Teacher at Clapton Girls' Academy.

We are an outstanding 11-19 academy. We prioritise high quality learning and teaching to ensure successful student achievement. Our students are keen to learn and a pleasure to teach. We provide a warm and welcoming learning environment with a strong team of committed teachers and support staff. Staff can develop their teaching practice through a number of opportunities, including ongoing CPD, access to a range of courses and through our status as a World Class School and leading member of the Hackney Teaching Schools Alliance (HTSA).

Business and Computing is a busy department with a range of vocational and academic subjects on offer including economics, business, computer science and ICT at GCSE, BTEC and A level. Our department is experienced in offering our students the most contemporary education, incorporating global events and trends into the curriculum at every level to ensure it is exciting and relevant. Many of our students proceed to university to further their studies in business, economics and computer science and uptake at key stage four and five is excellent. We welcome applications from teachers of business who are keen to broaden their skills by gaining experience teaching computing with support and training from a subject specialist.

We are looking for staff who are committed to developing confident and capable learners. We expect hard work, skill and dedication, and in return will provide an excellent working environment, competitive rates of pay and a comprehensive staff benefits package.

We are proud of our stance as an anti-racist school and recognise the importance of having a staff body that reflect Hackney's rich and diverse community. If you have the experience and passion to be an inspirational role model for the next generation of female leaders, then we want to see how we can support you in that pursuit. We particularly welcome applications from people from groups who are under- represented amongst teaching staff. We want the best staff, and we know that means a diverse staff.

If you feel that you can make a positive contribution at Clapton Girls' Academy, please apply via our website, http://www.clapton.hackney.sch.uk/current-vacancies/teaching-vacancies/

If you have any questions or would like to arrange a visit to the academy, please do not hesitate to contact me. I look forward to reading your application.

Yours faithfully,

Anna Feltham
Headteacher
