## Welcome to Our School

This information pack will provide you with an insight into our school and offer some practical information which will be of use to you as a prospective member of our school community.

Thank you for showing an interest in applying for this role at our College. I hope the information below will give you a clear insight into our College and the main aims and priorities we share for all our students and staff.

At Helston Community College, our students matter: each one an individual, valued and appreciated. We are ambitious for all of our students and are committed to providing a learning experience that consists of high challenge combined with appropriate support, and effective teaching in a safe and disciplined environment.

Our School enjoys working collaboratively with our partner schools within Truro and Penwith Academy Trust.

We welcome visitors as this is the best way to see our wonderful College. Please contact Angela Atkinson, HR Manager on the telephone number provided if you would like to arrange to look around.

## General Background

Our College is a place where doors of opportunity are opened for young people, and we encourage them to make the most of every opportunity that comes their way. We provide a diverse curriculum, allowing students to develop knowledge, skills and talents in a broad range of subject areas. We challenge students' thinking and encourage them to learn from setbacks, so that they become resilient learners who can respond effectively to future challenges. We urge our students to believe in themselves, to take responsibility for their own learning and personal development, and to work hard so that they achieve their very best.

We believe that Helston Community College is a unique place and has something special to offer its students and staff. The relationships between staff and students were recently recognised by OFSTED as being 'very strong'; students say that they are very proud to study here and staff are overwhelmingly proud to work here.

We are one of a few schools in Cornwall to have a Sixth Form, with approximately 200 students enrolled on courses recruiting from the College's Year 11 and also from other secondary schools in the area. Our aim at Post 16 is to provide an excellent education and to develop the skills to allow students to make the transition from College to the next stage of their lives. We are proud of our College and students for good reasons.

Helston Community College joined Truro and Penwith Academy Trust in January 2023. TPAT is a supportive and collaborative organisation with one primary focus: the improvement of teaching and learning within Cornwall. The Academy Trust works with local schools to ensure that young people in Cornwall have access to the best possible learning experiences.

We will also carry out online searches as part of our due diligence on the shortlisted candidates, as updated in the Keeping Children Safe in Education recommendations.
