**NJC Scale Points 6 (£23,893)**  
**37 hours per week, All year round**  
**To start as soon as possible**

The Heath Family Trust (NW) believes passionately in the power of collaboration and the importance of developing schools who work together to ensure every child and staff member can thrive. We are committed to providing children and young people with inspiring places to learn, and environments where they feel respected, safe and, crucially, happy and fulfilled.

We are seeking to appoint a flexible and committed caretaker to join our team. Duties will include caretaking, site security, minor repair works to the whole site, monitoring contracts and contractors and planned maintenance.

We are looking for someone with good interpersonal skills and enthusiasm who can relate well with staff, students and contractors.

The successful candidate should be able to fulfil a physically demanding role and have practical maintenance skills. You will be able to work independently and be self-motivated but also able to work as part of a team, have good communication skills and a commitment to high standards.

Our values are enshrined in what we believe is needed to succeed. The right candidate will be committed to share our values and join a Trust where you will be rewarded every day with the opportunity to shape a young person's future.

There are various perks that we offer our employees such as flu vaccinations, occupational health services and employee assistance programmes. Our salary sacrifice schemes allow you to exchange a portion of your salary for benefits such as childcare vouchers, new car lease and bike-to-work schemes, reducing your taxable income and providing you with valuable perks at a lower cost. Mileage for business use is paid and all parking at our sites is also free of charge.
