About Anglian Learning

Founded in September 2016 of four community-facing secondary schools seeking to share knowledge and provide mutual support, Anglian Learning has grown over the past seven years to be one of the leading school trusts in the region.

Educating more than 11,000 pupils and employing over 1,600 staff across three counties and eighteen academies, the Trust's mission is to enable inclusive and aspirational learning in every classroom, empower leaders across every academy, and ensure inspiring opportunities and educational success for all of our learners, people and communities.

Alongside this, the Trust remains committed to its heritage which is rooted in local communities and several of our schools provide adult learning opportunities and support for local groups and societies. We also operate our own sports centres under the banner of Anglian Leisure. Local, high quality and representative governance of schools is a key aspect of our leadership structure and we are recent winners of the NGA National Outstanding Governance Award as a reflection of this commitment.

In addition to our commitment to celebrating our community ethos, we believe strongly in empowerment: of pupils, our people and, crucially, our leaders. As recent research has reiterated, headteachers are incredibly influential in the success of schools and of their learners. The role of the Trust is therefore to provide the environment in which our leaders can grow, develop and flourish in their role. Our central team provides extensive, expert and rapid advice and support in human resources, finance, ICT, estates and operations. Therefore, our school leaders have the space and focus to drive school improvement in the curriculum, teaching, behaviour and in establishing the healthy culture and ethos that underpins this.

About The Netherhall School and Oakes College

We are committed to providing outstanding academies which are a source of pride for the communities that they serve. We aim to achieve this by raising the educational attainment of all our young people and using the collective energy and cross-school educational fertilisation within the Trust to improve life chances by:

- Developing a dynamic and inspirational culture for teaching and learning excellence.
- Providing pupils with stimulating and valuable enrichment opportunities across the curriculum.
- Building a curriculum and assessment structure that will enable teachers, pupils, and parents to celebrate success and respond swiftly to challenge.
- Encouraging innovation and risk-taking through a focus on research and best practice locally, nationally, and internationally.
- Promoting, enabling, and supporting leadership at all levels to flourish in individual schools and across the Trust.
- Providing high quality professional learning opportunities for staff at all levels in the Trust

The Netherhall School has been offering high quality education in Cambridge for over 150 years and boasts a strong recent track record of exceeding national performance targets and expectations.

Netherhall School has developed and grown since it welcomed its first student on the 9 January 1871, and has adapted constantly to the needs of the community and the changing demands and ethos of the educational sector. The history of the school encompasses being a grammar school, a comprehensive school in 1974, a Foundation school and now an Academy. For many years it was the only school in Cambridge that offered a 6th Form and, still today, one of only two school based Sixth Forms offering A Levels.

In February 2016, Netherhall School became an Academy, joining with Bottisham Village College, to form the Bottisham Multi Academy Trust. On the 1st September 2016, the Trust grew to four schools with the addition of Sawston Village College and Bassingbourn Village College, two high performing schools just outside Cambridge. At the same time, the name of the trust changed to 'Anglian Learning'; this has brought increased opportunities for collaboration and career development. Since that point, two more secondary schools, Linton and Joyce Frankland have joined the Trust.

Our examination results over recent years have been excellent with A level results in excess of targets and GCSE results well above national benchmarks. Our Progress 8 score has been consistently positive which, given the inclusive nature of the school, is impressive: schools in Cambridgeshire do not permanently exclude students so these figures contain students who, in other authorities, would be taken off roll.

Our Students

Netherhall School is set on the outskirts of Cambridge and serves both the City and the surrounding rural villages. As a result, student admissions are from a diverse range of backgrounds.

The whole operation of the school is built upon our values of Inspiring, Individual Inclusive:

Inspiring: We believe that it is our role to provide a setting, curriculum and staff which inspire students.

Individual: We offer a range of pathways for our students, matched carefully to their needs and aspiration. This includes:

- Hobbs – provision for those who would otherwise have been permanently excluded
- ALVIN – provision for those with medical needs
- EAL groups for all year groups

Inclusive: We take every opportunity to ensure students are not affected by economic disadvantage, learning needs, language barriers. As a highly diverse community we aim to welcome cultural difference and create a sense of belonging for all.

Crucially, we want all of our students to feel happy and secure. We have a well-developed pastoral care system and staff genuinely care about the students as individuals. We encourage students to assume and enjoy responsibility as Duty Students and through our Student Ambassador and Leadership schemes. Our highly skilled staff work closely with students, monitoring their progress to ensure they achieve their potential. There is an excellent student volunteer peer-counsellor scheme and students are encouraged to play an active part in the running of the school through School Councils. We understand that students need a range of skills and opportunities to fulfil their potential and therefore encourage students to undertake a full range of extra curriculum activities in addition to the educational requirements. Staff give their time freely to run a very broad range of activities from the traditional sports and drama to Warhammer Club and Language Leaders.

The Ofsted report of October 2018 gave a rating of Good in all areas with some areas of outstanding strength. Typically, we are not resting on our laurels and pushing forward to gain even stronger judgements next time around.

Many of our students choose to stay at Netherhall for seven years, progressing from Year 7 through to our highly successful Sixth Form, The Oakes College, Cambridge. The centre has an excellent reputation in the City of Cambridge and beyond and many students join us from other schools for their post-16 studies. We have an impressive track record in placing students in Higher Education, including Oxbridge and in employment.

In 2021 the A levels qualifications gained by students were impressive with 28% A*-A 55% of grades at A* - B; 81% A* - C and 98% A* – E.

Our staff

We recognise and value the skills, knowledge and expertise of all our staff and are committed to supporting their professional development. To this end, we have a vibrant and varied Continual Professional Development programme, which is personalised each year to support both our main school priorities and the individual needs of staff. This programme includes opportunities to share excellent practice between colleagues as well as drawing on external expertise. Cross collaboration between other local schools and schools in the Trust is also encouraged so that best practice is formulated.

Staff give freely of their time to the broad extra-curricular programme which includes sports, music, drama and a host of trips, exchanges, clubs and other activities. There is a blend of youth and experience among the staff and newcomers have always commented on the warm welcome they have received.

The Oakes College

The Oakes College Cambridge, formerly known as Netherhall Sixth Form Centre, has a long tradition of supporting young people to achieve excellence at A-level and Applied courses. The Oakes College builds on these great foundations, embracing its role as a key provider of post-16 education for the Anglian Learning Trust. We provide continuity of high-quality education, both for students who have progressed through Trust schools and for those adding the richness and diversity from within the high-quality educational landscape of Cambridgeshire.

Oakes College is all about people; ambitious students who are determined to achieve; committed professionals who love teaching and a dedicated pastoral support team. We take pride in knowing each student as an individual and our ethos of "Inspiring, Individual, Inclusive" is reflected in everything we do.

Partnership with Parents and Wider Community

We are a warm and welcoming community which places a high importance on working with families and getting to know each of our students as individuals. We engage with parents through a variety of mediums; parental internet, regular newsletters, Parents' Evenings, written progress reports as well as individual responses to queries. We are keen to engage parents from all backgrounds and to adopt strategies which will enable us to communicate better with all parents regarding their child's progress and development.

Integrate is our provision to bring together local charities, educational institutions, public health and business with parents from across the Cambridgeshire region. We provide training, childcare, online courses, fora and referrals for parents. The support we provide is free to all and is advertised through our website, social media and partner schools. We are based at Netherhall school, co-ordinated by our communities manager, Chika Akinwale. We strive to provide completely inclusive support for parents raising children from 0-18.

The Parents and Friends of The Netherhall School (PFNS; or Puffins!) meet regularly to put on school events but also to provide the stakeholder feedback so vital to continuing and deepening relationships.

We are a flexible employer that supports colleagues to balance their lives and recognises how staff give back to our young people.

Staff survey

Our most recent staff survey indicated that a high proportion of staff:

- Feel as though they belong within Anglian Learning
- Agree that they are provided with relevant opportunities for professional development
- Feel that there is a positive culture of psychological safety within their school
- Have high levels of job satisfaction and happiness at work
- Would recommend our organisation as a great place to work
