Application Pack

Welcome to INOVA Multi-Academy Trust and thank you for your interest in joining our organisation. I am the Chief Executive Officer, and I feel incredibly proud to lead such a wonderfully diverse group of schools, that have people at their heart.

We were established in 2011 (originally as Tapton School Academy Trust) and operate a family of schools across Sheffield, offering education from early years to sixth form.

We employ nearly 1000 staff, and those people are incredibly important to us. One of our key strategic priorities is to attract and develop capable people with great character, so that our young people thrive. If you work with us, you will receive best-in class talent management opportunities through our Institute of Talent, to develop yourself and open doors to a wealth of career opportunities within (and outside) of our Trust.

We are mindful of the workload challenge currently facing the sector, so we are focused on reducing workload and creating conditions where our colleagues have a fair work/life balance. To do so, we are investing in technology (such as iPads and AI) and aligning our systems, to save our staff time so they can focus more on the things that really matter.

We are at an exciting crossroads in our journey as a Multi-Academy Trust. If you are passionate about working with young people, and love working collaboratively within a team environment, then we'd love to hear from you. If you want to help shape the future of a modern, transformative group of schools, where innovation, collaboration and excellence thrive, you will find a like-minded group of people at INOVA Multi-Academy Trust.

Thank you again for your interest in joining us and the best of luck with your application.
