Vision Statement for Holy Trinity CE Primary Academy

At Holy Trinity CE Primary Academy, inspired by and rooted in Christian values and teaching, we nurture each other to become aspirational, courageous, compassionate and joyful people.

‘To Live a life in all its fullness’ John 10:10

Dear Prospective Applicant

Thank you for enquiring about working here at Holy Trinity CE Primary Academy. I hope that the information presented in this application pack and on our website (www.holy-trinity.co.uk) will enable you to get to know us better and I hope that, having read these details, you will want to be considered for a role in our school.

There is a strong sense of community, founded on the Christian ethos, at Holy Trinity and we aim to ensure that teachers, support staff, pupils and parents work in partnership to provide the best education we can. We are immensely proud of all we have achieved at Holy Trinity, a school judged “Outstanding” by Ofsted in 2023 and judged “Excellent” in the Statutory Inspection of Anglican and Methodist Schools in 2019. We have maintained the highest academic standards for many years, ranked in the top few percent of primary schools in the country, but we are equally proud of all the other opportunities we provide for our children – the broad, engaging curriculum, with plenty of field trips and interesting visitors, forest school, music opportunities for all, and most importantly, an environment in which children grow into people of compassion, courage, aspiration and joy.

The current CEO/Headteacher will be retiring at the end of this academic year and we are looking to appoint someone who will continue to improve and embed the Christian ethos and practice that has led to such great outcomes for so many children. This has been evidenced in our achieving Distinction and a Green Flag Award as an Eco School, obtaining the Music Mark recognising our growth in this area, 100% of children meeting the year 1 Phonics assessment levels, and pupils meeting and exceeding expected standards at significant rates.

Our team of teaching and support staff is strong and stable, committed to excellence and experienced in delivering outstanding education. The new CEO/Headteacher will be able to lead the team into the future, with the new Ofsted regime, the changes coming to the curriculum, and ensuring the sustainability of our school amongst changing demographics, some of the challenges of to be met.

As a Single Academy Trust, we are committed to partnering with others and spreading excellence more widely. To achieve this, we have developed strong links with other Single Academy Trusts across Wiltshire and have a far-reaching networks, including the Diocese, local authority, school-to-school partnerships, subject and professional groups, the Ramsbury Hub, United Learning, and various High Performance Networks. These collaborations help ensure that all children benefit from the very best opportunities and outcomes.

Life at Holy Trinity CE Primary Academy is busy, challenging and hugely rewarding. I hope that you will want to apply to bring your own talents and interests to our community and to discover for yourself what makes Holy Trinity CE Primary Academy so distinct and special. We welcome and encourage visits to our school : please contact admin@holytrinity.wilts.sch.uk or phone 01380 813796 to make an appointment to look around.

Peter Roberts
Chair of Governors
