Together Everyone Achieves More

Are you a self-motivated individual that is committed to giving pupils the skills they need beyond the school gates?

Are you passionate about supporting young people and their families to achieve their hopes and aspirations?

Would you like the opportunity to make a significant difference in the lives of children and provide the support and guidance to enable them to thrive academically and socially?

In 2016 we wrote our own bespoke character education curriculum that is now taught in over 1000 schools nationwide. Over the past few years we have refined and honed our offer for the needs of our pupils. This has had demonstrable impact on our young people and their families.

We are now looking for more people to join our team to support in the delivery of our curriculum and provide support to individuals or groups of pupils with special educational needs, behavioural needs and/or social, emotional and mental health difficulties.

Experience in character education is not necessary, however a commitment to building a thirst for life-long learning in our pupils is! The role will involve activities such as; the delivery of our character education programme, forest schools, mentoring, and other child centered interventions.

Experience in schools is essential, and any experience in behaviour, character education and the delivery of interventions is preferred.

The role is energising, yet challenging. Our schools are busy and we need someone that has initiative and can work independently with a constant focus on our pupils at the heart.

About us:

Based in the heart of East Manchester, Wise Owl is a small Multi Academy Trust with big ambitions – for our children, our families and our communities.

Formed in May 2012, the Trust currently has five large Primary academies.

Just like thousands of children in other inner-city areas, our pupils face real challenges in the world beyond the school gates. But here at Wise Owl we face those challenges together, with a RESPECT curriculum and family ethos that runs right across everything we do, at all three sites. We take our Trust motto, Together Everyone Achieves More, seriously when it comes to staff as well as student wellbeing.

We want Wise Owl Trust to be a place where ambitions are achieved, where aspirations are encouraged, including among our staff, and are dedicated to the professional development of all our employees.

How to apply:

If you think that you have the skills and aptitude to come and lead our pupils to lives of opportunity and success and

are interested in joining our happy and thriving Trust, please complete an application form and return it by **12 noon 4th October 2024** to Mrs K. Walton at k.walton@wiseowltrust.com. **Please note, we do not accept CVs** as part of our application process. All parts of the application form must be fully completed.

We are committed to equality of opportunity. We are passionate about recruiting a diverse workforce, and creating an inclusive environment for everyone at the Trust. Therefore, we positively encourage applications from underrepresented communities and irrespective of age, disability, neurodivergent status, marriage or civil partnership status, pregnancy or maternity, race, religion and belief, gender reassignment, sex, or sexual orientation. We are happy to make reasonable adjustments wherever possible through the recruitment process should this be required.

Our trust is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. Successful applicants will be required to undertake an enhanced DBS check.

Employment is conditional on confirmation of the right to work in the UK – either as a UK or Irish citizen, under the EU Settlement scheme or having secured any other relevant work visa.
