Our Academies

The Discovery Academy

Our largest Academy opened in September 2011 and moved into a new £25 million accommodation in September 2013. Student numbers are increasing and attainment for all students is improving steadily. The highly qualified and committed staff follow the 'mission statement' of Expect Excellence. Steady improvement was validated by Ofsted in 2016 with good judgments for teaching, behaviour and leadership. In 2017 we are very proud that Discovery was the most improved Academy in the City, with results continuing to improve in 2018.

"The quality of teaching and the curriculum have improved significantly. Both suit the needs of pupils and accelerate their progress."

"Governors are relentless in their drive for higher standards. Their support and challenge are effective in improving current standards."

"There is a clear sense of equality and inclusion in the school. Diversity is recognised and valued. This encourages harmony in the community in which the school is located and in the wider area. Pupils told inspectors, 'Everybody is welcome here'."

The Excel Academy

Holden Lane High School converted to become the Excel Academy in March 2014 and has consistently been one of the highest performing academies in Stoke-on-Trent. Student numbers are increasing rapidly as the success of the Academy has led to many years being oversubscribed. It is the school of choice in the north of the city and is housed in new build and refurbished buildings.

The Academy was inspected by Ofsted in November 2016 and maintained a 'Good' judgement and is focused on becoming an outstanding provision.

"Expectations of staff and pupils are high. There is a strong team spirit across staff at all levels in the school and they are very committed to the school's ethos of 'Pride and Respect'."

"The Excel Academy is now the school of choice for an increasing number of local parents and, consequently, it is now oversubscribed and has large cohorts in lower year groups."

"The great majority of parents who responded to Ofsted's online questionnaire, Parent View, confirmed that their children make good progress in school and that they would recommend the school to other parents. One parent wrote, 'I am very happy with my child's education. My child enjoys school and is happy to attend Excel Academy. I couldn't wish for more.'"

Eaton Park Academy

Eaton Park converted to become an academy in 2012 and has consistently been one of the highest performing academies in Stoke-on-Trent for the last few years. In 2018/19 we were the highest performing primary school in Stoke on Trent and for the last two years we have been in the top 3% of schools nationally for pupil progress. Student numbers are consistently increasing due to the successes of the academy and its popularity locally. Eaton Park Academy has around 500 pupils and is one of the larger primaries in Stoke, offering places from Nursery through to Year 6.

The Academy was inspected by Ofsted in March 2019 and maintained a 'Good' judgement, we are now focused on becoming an outstanding provision.

"As a result, pupils continue to achieve well and by the time they leave Year 6, pupils' progress in reading, writing and mathematics is consistently above the national average. In 2018, pupils' progress was significantly above average and in the highest 10%."

"Leaders' high ambitions for pupils and provide effective support and challenge to leaders to continually improve the school."

Parent View, are highly positive about the school and would recommend it to others. Staff are proud to work at the school. They say that they are well supported by leaders to carry out their roles effectively.

Maple Court Academy

Maple Court is a large primary academy with almost 500 pupils located in the Bentilee area of Stoke-on-Trent. Children enter the Academy with very low literacy and numeracy skills and the academy is ambitious to provide all pupils with the skills, knowledge and understanding to succeed in later life. We expect excellence from everyone and believe that all of our pupils can achieve excellence too.

The Alpha Academies Trust sets a very clear vision for all its educational providers: to champion the life chances of learners in the community it serves. This vision is systematically implemented in Maple Court Academy. As a result, pupils receive good quality education in a safe environment where their best interests are uppermost.

Since it became an Academy in 2014 standards have improved. As a result, the Academy achieved a good grade in its 2016 Ofsted Inspection. Our approach to teaching and learning is very inclusive and we strive to ensure that the support and feedback given to pupils results in all groups learning equally well in lessons.

Alpha Academies Trust and our governors have supported significant investment in buildings and facilities here since 2014, creating a first class learning environment for pupils and staff alike. We are proud of the improvements we have made at Maple Court Academy and urge all candidates for positions here to come and see it for themselves.

“The College Academies Trust (Alpha Academies Trust) has set a clear vision for the academy to provide an excellent quality of education for its pupils. The Trust and the local governing body hold leaders rigorously to account for delivering this strategic plan.”

“The approach to teaching is very inclusive. The individual challenge, support and feedback given to pupils ensure all groups learn equally well in lessons. For example, disabled pupils and those with special educational needs are well supported in lessons, and so learn as well as other pupils.”

Reach Academy

Reach Academy was established to give the students in Stoke-On-Trent the very best in Alternative Provision. Many of our students have found it difficult in mainstream schools but develop a new attitude towards education here.

We thrive off developing positive traits in young people around resilience and ambition and believe every young person has a right to access outstanding education in order to develop this. We want every student to progress to further education at 16 or pursue their career of choice.

We offer a broad and balanced curriculum and a therapeutic enrichment programme focusing on individual interests and skills and provide option choices which engage, enrich and encourage our students to achieve excellence.

Sneyd Academy

Housing almost 600 pupils, Sneyd Academy is one of the largest primary academies in Stoke-on-Trent. It is located in the centre of the city with good access to local facilities such as Central Forest Park and Festival Park. The Academy serves a diverse population from the Sneyd Green, Cobridge and Burslem areas and is very much a school at the heart of its community.

The school has two beautiful Victorian buildings which opened in 1901. In addition, a purpose built Early Years and KS1 block was added to the site in 2016 and a fully refurbished, purpose built dining room completes the accommodation. The school has extensive grounds which supports the lively school curriculum. The school was judged good at its last inspection in 2015.

“Governance is strong. Governors share the headteacher’s drive to ensure the best results for pupils.”

“Pupils are very polite and courteous. Pupils are welcoming to visitors and keen to talk about their work. Pupils are very proud of their school and show this by wearing their uniform with pride and showing respect for the pleasant and vibrant learning environment.”

“The quality of teaching across the school is consistently good, with some that is outstanding.”

“Pupils show positive attitudes to learning and make good progress.”

In total, over 4,000 students aged 4-19 years are currently on roll and supported in our Academies. In addition, we employ approximately 525 staff across the Trust.
