## CHEMISTRY TEACHER

### MATERNITY COVER FOR ONE YEAR

### FULL TIME & PART TIME APPLICATIONS WELCOME

From: 1<sup>st</sup> September 2022  
Salary: M1 to UPS3 (Outer London)

The Latymer School is a high achieving, but caring grammar school in North London. Visitors comment on the warm atmosphere and the level of participation in extra-curricular activities. Pupils at the school recently described the school as one “family” and a “real community”. We are very proud of our school and believe it is a place where you can really teach and develop.

We are seeking to appoint, commencing 1<sup>st</sup> September 2022, a full time (part time applications will also be considered) Chemistry Teacher who would enjoy working with highly motivated, intellectually curious students at Key Stages 3, 4 and 5. The Chemistry Department has both experienced and newly qualified members of staff all of who are able to offer the support required for any teacher, including a newly qualified teacher, who is eager to contribute and make a difference to students that are conscientious and enthusiastic.

The Science Department, as a whole, works as a close-knit group, sharing resources and strategies across the year groups taught at the school. As you would expect, Chemistry is a popular option at GCSE and A Level.

The department's exam results in 2019 were outstanding at both GCSE and at A level. At GCSE, 87% of students achieved grades 7-9, with 40% achieving grade 9 and 70% grades 9/8. At A level, 11% of students achieved an A\*, 46% A\*/A and 67% A\*/B.

If you would like to work in a friendly environment, with guaranteed A-level teaching, then we would like to hear from you.

Closing date for application: **10am on Monday, 20<sup>th</sup> June 2022**

***Applications will be considered upon receipt and the vacancy closed if an appointment is made before the closing date.***

*The Latymer School is committed to safeguarding and promoting the welfare of young people. We expect all staff to share this commitment. Any offer of employment is subject to a satisfactory 'Enhanced with a Barred List Check' through the Disclosure and Barring Service.*
