

EXTERNAL
CHIEF PEOPLE OFFICER
Permanent, Full Time, All Year Round
Salary: Grade 18, Points 66-70, £83,215 to £88,641 per annum

We are currently seeking a talented, committed and dynamic Chief People Officer to join our trust and lead our HR Team to provide an effective service across the entire organisation.

This senior role sits within our supportive and ambitious Executive Leadership Team, reporting directly to our Chief Executive, and you will be joining us at a genuinely exciting and critical time as we look forward to our next period of growth.

As a large, values-led multi-academy trust we care deeply about not just our children and young people but all our colleagues in our Archway family. Therefore, we're looking for someone who is passionate about making a difference in the lives of young people, who is committed to living by our values of inclusion, collaboration and excellence, and who can help lead us into the next stage of our growth journey.

We need someone with the skills and expertise to help us navigate through financial obstacles as well as maximising the opportunities that flexible working can bring to our workforce.

We are looking for someone who can develop and implement our People Strategy to impact how individuals behave, engage and value others. Someone who can develop a culture of progression, and who can develop us the trust as an outstanding employer.

The successful candidate will be visionary, decisive and insightful. You will provide strong, strategic leadership whilst inspiring and motivating others in the organisation, who are developing and growing themselves.

In return we can offer flexible working opportunities, an excellent pension scheme, access to many other benefits through our employee benefit platform and mentoring and development opportunities.

This is a fantastic opportunity to really make an impact on education and employment across the East Midlands.
