

Hales Valley Multi Academy Trust is a primary academy trust, based in Dudley, West Midlands. We currently consist of five very different primary schools, ensuring that our Trust is a diverse and exciting place to work and learn.

We put our children at the heart of everything we do and are dedicated to providing them with an enriching curriculum, underpinned by our overall commitment to high standards across the board.

We value our staff and ensure that they are well supported and trained. We have a continual professional development guarantee that provides a clear career pathway of training and opportunities for all staff at all levels.

Our family of schools work closely together, ensuring that staff and children benefit from sharing the excellent practice that exists across the Trust. Our schools are well supported by the Local Governing Committees, the Board of Directors and the Trust Central team.

We believe that we are stronger together – all schools sharing capacity, resources and expertise. We believe that collaboration is fundamental to providing the best learning opportunities through a meaningful curriculum where children and adults acquire the knowledge, skills and positive attitudes to prepare and strengthen them for their role in society: today, tomorrow and in the future.
