Dear Applicant,

St. Paul's CE Primary School is a two form entry primary school for children between the ages of 3 and 11. We are tucked away in Walkden, just near to the large Tesco and Walkden Town Centre.

Our school has three buildings situated within beautiful tree laden grounds. The most recent addition to our school is a very high-tech modular building which houses our children in years 3-5. The main school building is home to our youngest pupils in nursery and reception (Early Years) along with our KS1 pupils. Y6 pupils are very grand as they have a building all to themselves within their own Y6 grounds! All our school buildings provide excellent, bright and interesting learning environments where we love to showcase the learning of our pupils. Although we have three buildings, our pupils are brought together as often as possible through assemblies, celebration events and lots of buddy work.

Here at St. Paul's, we work very much as a team; all with the same professional dedication, child centred approach and the highest expectations in our pursuit of excellence. Our staff want only the very best for our pupils and their families and work with untiring enthusiasm to provide high quality learning experiences and environments throughout the school.

In January 2020 we were graded as GOOD by OFSTED with an excellent report. Amongst the many wonderful statements:

'St. Paul's is at the heart of its community. Pupils, parents and staff are rightly proud of the school. They say it is like being part of a large family. Leaders have created an environment where pupils thrive, and leaders are determined that all pupils achieve to the best of their abilities; Leaders have high expectations for their pupils and make sure that keeping children safe is a priority.'

As a Church of England school we also had our SIAMS inspection in June 2024 where we were given a judgement which concluded that St. Paul's is living up to its foundation as a Church school.

If you are an amazing practitioner, share the same drive, core values and have exceptionally high expectations and think you would thrive working in our supportive, happy team, we would love to receive an application from you.

Yours sincerely,

Mrs J Rowley
Headteacher
