Welcome from the CEO of The Trust – LAAT
Be a part of something bigger...

Dear Candidate

What if every child was unique with **intrinsic value**? What if every member of staff was unique with intrinsic value? What if every school was **unique** with intrinsic value? At LAAT we believe that they are.

We're a **Church of England** trust so we call it being made in the image of God. But you don't have to. You just need to be able to look at our children and young people – however deprived or privileged, however difficult or compliant, whatever their background, or ability, or culture, or gender – and know that what you do, how you teach them, what you give to them, how you relate to them can **transform** their lives. And then you must have the energy, and passion, and drive, to give them your best.

We don't ask you to do this alone. We'll provide you with the **support** of a MAT who believes that you too are unique and **valuable** – valuable for who you really are.

So, is now the time to think hard about what you want and to look at what Greater Lincolnshire and Lincoln Anglican Academy Trust can offer you? A chance to grow your career, **professional support** and the opportunity to transform lives.

Within fabulous **Greater Lincolnshire** with its beautiful beaches, woods, Wolds, fields and fens its 2-university city and its access to new and growing technologies. Its **reasonable priced houses** and home to the Red Arrows.

Is now the time to find out more about us and to join our **community** of **Excellence, Exploration and Encouragement?** To change lives with us, for the better .

Jackie Waters-Dewhurst
Chief Executive Officer

Practical Teaching Assessment

As part of our interview process we aim, where possible and where applicable, to observe you teaching in your current school, with the agreement and support of your school's leadership. This allows us to see you in a familiar environment and gain an authentic understanding of your teaching practice.

If a visit to your school cannot be arranged, or if you do not consent to this, we will dedicate a significant portion of your interview to a practical teaching assessment within our own school setting, ensuring you still have the opportunity to demonstrate your skills in the classroom.

We believe some of the benefits of observing you teach in your current school include:

- Seeing you teach in your natural environment, using familiar resources and routines.
- It demonstrates how you manage your classroom, differentiate instruction, and engage students who you are familiar with, and students who are familiar with you.
- Teachers often perform better in their own setting, and we can observe how you integrate school-specific policies and curriculum.

If shortlisted, we'll get in touch with the Head of your school to make sure they're happy with the visit and to arrange a date and time that works for everyone.

All candidates will first take part in a practical teaching assessment, including a lesson observation, which forms the initial stage of our selection process.

Based on the outcome of this assessment, the school will determine whether candidates progress to the formal interview stage and the interview may conclude at this stage if the required standard is not demonstrated.

About St Gilbert's Church of England Primary School

A loving Christian school family, enriched by living 'Life in all its fullness'

St Gilbert's, set in the heart of Georgian Stamford, is an exciting place to be and you cannot fail to be captivated by its warmth, vibrancy and dynamic energy when you walk through the doors. Our school community is made up of pupils, staff and parents who unite around our ethos and core values of 'Happiness, Courage and Service'

Within a supportive environment, pupils are challenged to achieve their personal best and inspired to serve others with their talents. They are enabled to be confident and to take risks as they explore their potential. A good work ethic, mutual respect and responsibility are key qualities which are nurtured in all at St Gilbert's.

We want our children, from all faiths and none, to take opportunities to grapple with the 'big questions' of life; to have a deep awareness of the diverse cultures and beliefs within our society and beyond; to develop a clear understanding of their identity and purpose and to reflect thoughtfully on what they believe. We encourage open minds and independent judgement, and we seek to nurture the whole child in a supportive and caring environment. EVERYONE is respected and valued, and pupils develop not only academically, but socially, emotionally and spiritually. Our vision means that as unique individuals in the eyes of God, we seek to thrive together in love, life and learning.

At school we aim to help each other to learn how to do this. It is not always easy to live life in this way and so we help each other with the challenges that come along the way.

Everyone who works in and for our school supports its Christian foundation and ethos. Our pupils learn what it means to have a faith, underpinned by strong shared values which are shared across all faiths and none.

There are strong links between our school, our homes, our church and our community. Spiritual development is at the centre of school life both directly through worship or indirectly through our behaviour policy, our pastoral support and our curriculum. We care about the spiritual development of everyone in our school community. We want our pupils to live an abundant life, physically, emotionally, spiritually and mentally. St. Gilbert's is a school community that enables our children to have the opportunity to be truly fulfilled in all these areas which in turn gives them balance in their lives. This also supports our key values of Happiness, Courage and Service as pupils experience a breadth in their learning, develop inner courage and learn to serve others. All staff recognise and work hard to ensure each child feels safe, secure and is able to achieve 'Life in all its fullness' and be the best they can be. Ultimately children will be equipped to be responsible, respectful and active citizens throughout their lives.
