

## **Class Teacher vacancy**

**Required from September 2021**

**TMS 1-6,**

**Salary: £25 714 - £36 961 p.a.**

We are looking to appoint a main scale teacher to join our growing school. The successful candidate will be joining a happy and supportive team who enjoy their work and still have time to enjoy life outside of school.

According to current staff, at EPJS you'll find:

- a supportive team who always 'have your back', professionally & personally
- wellbeing as a high priority, so workload is always minimised
- plenty of humour, and a community spirit in this village school
- children, cared for with genuine heart, and their families who support the school
- opportunities for collaborative working in school and across the trust
- a belief that you should be able to have a rewarding teaching career and a home life!

Just as important are some of the things you definitely won't find:

- onerous marking policies or 'verbal feedback' stampers
- children copying out learning objectives for the sake of book scrutiny
- detailed daily lesson plan templates
- lengthy tick-box assessments or termly tests to mark

We're looking for candidates who want to focus their energies on being an excellent classroom teacher, developing a high quality curriculum and lessons for their children, rather than ticking boxes and completing paperwork

Unfortunately, we are unable to offer pre-application visits at present, but candidates are recommended to visit the school's website. Further information for candidates, including a short tour video, are available on the Vacancies page: [www.epjs.co.uk/vacancies](http://www.epjs.co.uk/vacancies). Short zoom meetings will also be held for groups of interested applicants.

For a list of essential and/or desirable skills, please see the person specification and job description available to download alongside this advert. Applications should be sent to [office@epjs.co.uk](mailto:office@epjs.co.uk).
