Welcome to Tupton School Academy Trust (TSAT) and thank you for your interest in joining our organisation. I am the new Chief Executive Officer and I feel incredibly proud to lead to such a wonderfully diverse group of schools, who have people at their heart. We were established in 2011 and operate a family of schools across Sheffield, offering education from early years to sixth form.

We employ over 900 staff and those people are incredibly important to us. One of our key strategic priorities is to make TSAT a 'great place to work' and we are working hard to achieve that. If you work with us, you will receive best-in-class talent management opportunities, to develop yourself and open doors to a wealth of career opportunities within (and outside of) our trust.

We are mindful the workload challenge currently facing the sector, so are focused on reducing workload and creating conditions where our colleagues have fair work/life balance. To do so, we are investing in technology (such as iPads and AI) and creating aligned curricula and assessments, to save our staff time so they can focus more on the things that really matter.

We are at an exciting crossroads in our journey as a multi-academy trust. If you are passionate about working with young people, and love working collaboratively within a team environment, then we'd love to hear from you. If you want to help shape the future of a modern, transformative group of schools, where excellence, innovation and collaboration thrive, you will find a like-minded group of people at TSAT.

Thank you again for your interest in joining us and the best of luck with your application.

About Hallam Primary School

At Hallam, we want children to aim high and dream big. Through high quality teaching and positive relationships, we give our children every opportunity to achieve their full potential, make long lasting memories and prepare them for the next stage of their education.

Diversity: We develop children's understanding of diversity by teaching them to explore all aspects of life in modern Britain. We promote inclusion, tolerance and respect for all faiths, cultures and beliefs and give them opportunities to understand how they fit into their own personal, social and global world.

Resilience: We encourage children to take risks and overcome challenges through perseverance and a determination to succeed. We do this through having high expectations of the children, encouraging independence and offering opportunities for them to fail. We develop children's confidence and social skills and teach good manners and respect for all.

Enquiry: We value an enquiry led approach to our curriculum in which children are encouraged to be curious and investigate all aspects of learning, individually and collaboratively. Adults skilfully challenge children to enable them to achieve their full potential through the delivery of a broad and balanced curriculum, which builds upon children's prior skills and knowledge to prepare them for the next stage of their learning.

Aspiration: We provide opportunities for children to aim high and have the confidence to become the individual that they aspire to be. Children are exposed to different roles, careers and encouraged to achieve their full potential regardless of their starting points.

Memories: We provide quality first teaching where children are given opportunities to transfer their new learning to their long-term memory and develop metacognition skills throughout their time at Hallam. We enrich our curriculum with a range of experiences, trips and visitors to motivate and inspire learning and to create a bank of positive memories which the children can look back on.

Smiles: We believe that the best learning takes place when children are happy and are having fun. We place a strong emphasis on positive mental health and well-being and work hard to ensure school is a positive place to be for children, parents and staff.

Children at Hallam are aspirational and in general enjoy a wide range of experiences out of school. Parents have high expectations of their children and that the school will provide their children with opportunities to achieve academic success. Our curriculum is designed to provide these opportunities whilst ensuring children develop social and emotional awareness to equip them for life.

Our Schools

Our five primary and four secondary schools work in close partnership with the aim of realising the life chances and dreams of every child and becoming an outstanding Trust.

We recognise and celebrate different aptitude and interests and believe that everyone can develop through dedication and hard work, leaving our schools fully prepared for successful lives.
