An excellent opportunity to join the committed and friendly teaching team of our outstanding, supportive and innovative Special School.

Pond Meadow Academy Trust is a specialist day school providing high quality education for approximately 160 pupils from 3-19 years of age. Based in Guildford, Surrey, the school provides education for Surrey children from 3-19 with ASD (Autism, Communication and Interaction Needs) and/or Severe Learning Disabilities.

The school converted to a Special Academy on 1st November 2014 and has been judged 'Outstanding' by Ofsted in our last five inspections, the most recent in June 2023.

An exciting opportunity has arisen for class teachers to join our vibrant team of 130 staff and play a significant part in the development of our outstanding Academy. Our school is growing to 200 pupils over the next 4 years with a new building for KS4/5 being built in 2025, including exciting enhancements and adaptations to the existing school environment.

We wish to recruit dynamic and highly motivated individuals who are committed to providing quality education and care which best places our pupils to maximise their learning and potential. The school has a strong focus on education that prepares pupils for life.

The posts are suitable for teachers with special needs experience, NQT's and teachers transferring from mainstream primary. We have a strong and supportive Senior Leadership Team and strong track record in supporting NQT's. We offer a dedicated, friendly, highly trained staff team. Our induction, CPD programme and opportunities to further develop leadership and management skills. are rated highly by current staff members as supportive, at the forefront of research and CV enhancing. We offer the teachers' pension scheme and a comprehensive employee well-being service.

This role is considered to be 'regulated' and as part of our rigorous approach to safeguarding children, candidates will be subject to enhanced DBS approval and will participate in regular safeguarding training and updates.
