Welcome Message from the Headteacher

Dear Applicant,

Welcome to Holy Trinity Church of England Primary School. We are a beautiful small one-form-entry school. We are the hidden gem of Forest Hill, with a wonderful community and nurturing environment, from Forest school, student counsellors, whole school trips and TA support in every class.

Are you ready to embark on an exhilarating journey in your next teaching role? Look no further! Holy Trinity Church of England Primary School is eagerly seeking a passionate and dedicated teacher to join our vibrant community.

A visit to the school is highly recommended and we warmly welcome any prospective candidates to speak or meet with the headteacher. Hopefully you will love the school as much as we do.

We are a special place where staff are dedicated to providing a stimulating and exciting learning environment where every child can thrive, and in which everyone feels valued and safe. We want our pupils' time in our school to be memorable and we provide a caring environment where every child is valued as an individual and where diversity is celebrated.

We were graded 'EXCELLENT' in our previous SIAMS inspection 'Holy Trinity primary school speaks with one voice when they describe their motivation behind their vision'.

In our recent inspection, OFSTED (Graded Good in March 2024) noted: *Pupils love their school. They talk with enthusiasm about the many exciting learning opportunities. Pupils are proud of their academic achievements as well as their contributions to school life. Pupils' leadership roles impact the school community. - Behaviour is positive across the school, and pupils know and respect the school values. - Leaders are ambitious that the curriculum is tailored to pupils' needs and reflects the school context well. - Children receive a strong start in early years. Staff provide children with many opportunities to practise their learning and to build independence. They are kind to and support each other, including when learning. Staff promote and encourage pupils to be ambitious. This is modelled across the school with all staff having high aspirations and expectations of all pupils. Working relationships between staff and pupils are positive.*

At Holy Trinity, we foster a culture of positivity, collaboration, and innovation. Our team of educators are committed to creating an environment where every child feels valued, inspired, and empowered to reach their full potential.

Joining our team means stepping into an environment where inclusion is a must. Team work is a given and a love of teaching is our mantra. Here, you'll have the opportunity to unleash your teaching prowess, ignite young minds, and have a lasting impact on future generations.
