Headteacher: **Mr S Spooner**

The Governors of Parklea Primary School are looking to make the following appointment to complement our team:

**Class Teacher
MPS/UPR (September Start)
Full Time (Part Time Considered)**

Parklea Primary School is a rapidly growing, vastly improving split site Primary School on the border with Central Bedfordshire.

Our staff are a happy and extremely hard working team who support each other to ensure our pupils have the best learning experience possible.

Our recent Ofsted inspection confirmed that we continue to maintain our 'Good' school status and just some of the many positive comments we received were:

'Pupils feel included and valued.'

'Teachers have a strong understanding of what will help pupils to learn well...Children start learning to read as soon as they begin in Reception.'

'Classrooms are calm and orderly places, where pupils can learn successfully.....The school prepares pupils well for their futures.'

'Skilled staff support pupils with special educational needs.....They make strong progress.'

We are proud of the fact that all visitors comment on the calm, relaxed atmosphere as well as the good behaviour of our pupils.

Our pupils are respectful and get on well together. They receive a curriculum that motivates them and enables them to work hard and try their best.

We have a vacancy for a class teacher from September 2024. For the right applicant part time would be considered.

This is an exciting opportunity to work with a senior team who are extremely helpful and supportive. We are a nurturing school and have great success in supporting all our teachers. Look what our current teachers say about their experience of working at Parklea:

***'Since beginning my employment at Parklea Primary School in September 2022,
I can honestly say that I have experienced nothing but wonderful support and***

such lovely positive and appreciative comments from Parklea's senior leadership team. Combining this with the welcoming atmosphere from the staff and children, this makes Parklea a very enjoyable environment for staff to teach within, along with being a fantastic place for children to learn.'

'I am a second year ECT at Parklea Primary School and I am thoroughly enjoying my time here. I am very proud and pleased with my progress so far. I have been given support and guidance from not just my mentor and tutor, but also other school staff including my partner teachers in Y1.'

'Joining Parklea Primary School as an ECT has been a transformative experience that has shaped my teaching career so far. The warm welcome I received on joining Parklea created a sense of belonging and set a positive tone for my journey at the school. The amalgamation of the school into one primary unit presented opportunities for growth; challenging me to adapt and contribute to the changes with the new school unit.'

The support I received as a new teacher has been instrumental in my professional development. Participating in training and development programs such as maths mastery and Read Write Inc, has had a profound impact on my teaching practice. Actively engaging in these programs not only enhanced my pedagogy but has also bolstered my confidence as a practitioner. Knowing that the leadership has invested in my development and has instilled confidence in me and this culture I believe is positive for the wider school community.'

Maybe you are looking for a fresh start. If you are someone who can take responsibility for the learning and progress of children, as part of a supportive teaching and learning team, then apply to Parklea.

We can offer you:

- friendly and hardworking colleagues
- an excellent learning environment.
- good career development opportunities
- caring, well behaved and motivated children
- an assurance that your well-being will always be a priority

The successful candidate will have:

- experience of teaching within a primary school setting
- a commitment to the education and well-being of all the pupils in our school
- the ability to work well as a member of a team
- a hardworking and highly motivated work ethic
- a passion for teaching and learning
- drive, imagination, creativity and ability to use their own initiative
