Welcome from Jen Rylance the Acting Headteacher, Thornhill Junior & Infant School.

Dear applicant,

Thank you for taking an interest in the Teacher vacancy at Thornhill Junior & Infant School.

Our popular School is situated in the village of Thornhill, Dewsbury, West Yorkshire, serving a large residential area of private and local authority housing. The school's planned admission number is 420 and the school's admission limit is 60 per year group. The number of children on roll currently stands at 360. Approximately 36% of our children are entitled to free school meals, 18% have Special Educational Needs and 7% come from homes where English is not their first language.

Our school is popular with local families and has a reputation for being friendly and welcoming. There are good links with the local community through various activities and we enjoy positive relationships with neighbouring schools as part of the Dewsbury Learning Partnership.

Key messages from our most recent Ofsted report in 2019:

- Leaders have established a warm ethos in the school, based on respect for all. This is underpinned by the wealth of opportunities leaders have put in place which promote effectively pupils' spiritual, moral, social and cultural development.
- Leaders have ensured that the quality of teaching is good. Professional development for teaching staff in subjects such as phonics and writing has ensured that pupils typically make strong progress.
- Leaders have placed reading at the heart of pupils' learning. Consequently, pupils are enthusiastic readers and show a secure understanding of what they have read.
- Teachers ensure that pupils' learning is purposeful by making well considered links between a range of subjects within a topic. Pupils often decide which aspects of a topic they would like to explore. This stimulates pupils' curiosity effectively. They regularly reflect on what they have learned and think about their next steps. Pupils are enthused by this approach and, hence, show positive attitudes to learning and take pride in their work.
- The curriculum is well designed and, hence, captures pupils' interest and feeds their motivation to learn. As a result, pupils demonstrate positive attitudes in lessons.
- The well-developed music curriculum plays a crucial part in supporting pupils' spiritual and cultural development. Pupils benefit from a range of musical experiences, such as an opera visit during Year 4, opportunities to perform in the school band and to compete in musical contests with pupils from other schools. Pupils also learn about other cultures through a focus on different musical genres, significant artists and musicians.
- The behaviour of pupils is good. Pupils rise to adults' high expectations of them and, hence, they conduct themselves well. They are polite, welcoming and respectful. This creates a calm atmosphere in the school.

I am extremely proud to be the Acting Headteacher at Thornhill Junior and Infant School and believe it is a rich and vibrant place to learn and work. I would be very happy to answer any questions that you may have.

Jen Rylance
Acting Headteacher

Welcome from Paul Spencer, Chair of Governors

Dear applicant,

Thank you for taking the time to consider applying for the post of Teacher at Thornhill Junior and Infant School. As Chair of the Governing Body, I would like to take this opportunity to tell you a little bit about the context of our school.

Thornhill Junior and Infant School is a two-form entry school, situated in Thornhill on the outskirts of Dewsbury, West Yorkshire. We have PAN of 420 primary aged pupils with an admission limit of 60 pupils per year group. A small percentage of pupils come from homes where English may not be the first language.

We are proud to be part of the Focus Academy Trust and recognise the value of support, ethos, challenge, and collective efficacy embodied within the trust.

This is a very friendly school where children are happy, and staff work exceptionally well as part of a team. The large staff of teachers and teaching assistants are led by a dedicated, highly respected Senior Leadership Team.

There are 15 spacious and well-equipped classrooms. The school has a large hall which is used as a gymnasium, dining room and assembly hall. Our school is surrounded by secure playgrounds and a large, grassed area which includes an orchard. The building is a mixture of old and new and there has been much renovation and interior development over the last five years.

We offer a wide range of extra-curricular activities and clubs, and the school is renowned as a lead in music provision.

Parents are made very welcome in the school and provide much valuable support; they run the 'Friends of Thornhill' group which organises social and fund-raising activities.

Our school is popular with local families and has a reputation for being friendly and welcoming. There are good links with the local community through various activities and positive relationships with neighbouring schools, including the local High School.

I hope I have given you a flavour of Thornhill Junior and Infant School and that it makes you feel that you would like to become a part of our school community.

Yours sincerely,

Paul Spencer
Chair of the Governing Body

Our curriculum is geared to giving children a firm grounding and the necessary skills to succeed in an ever-changing world as well as providing them with the solid foundations of reading, writing and maths. Background to the Trust

Focus-Trust was incorporated in May 2012 as a primary trust. The Trust has links with the sponsor, Focus Education, but is an entirely separate legal entity. As with all academy trusts, the Trust is a company limited by guarantee and an exempt charity. The Trust's offices are situated in a newly converted historic mill conversion in Chadderton, Oldham with excellent motorway networks to access our schools.

The defining feature of Focus-Trust is that it is a specialist primary phase trust. This means that the work of the Trust is driven by the distinctive needs of primary schools. Whilst the Trust has robust systems for accountability, each school has their own distinctive identity, ethos and culture, and this is a commitment to every school when they convert and join the Trust.

Focus-Trust currently has a small centrally employed team. The members of the team are highly skilled and committed to the vision, culture and values of the Trust.

All the schools within the Trust are willing partners who have actively chosen to join Focus-Trust and there is a very high degree of consensus, cooperation and commitment from within the group.

The Trust has robust policies and systems in place to govern and guide its work. These have been gradually implemented as the Trust has grown. The Trust has well-established productive relationships with trade unions and meets half termly with a group of national trade union representatives to discuss policy development. This has enabled us to introduce and change a range of policies in a streamlined and cooperative way.

Vision

'Great schools at the heart of our communities' - with our Community Champions and colleagues, we strive to ensure we are being civic leaders making a difference in the local and national communities and the community is supporting us.

Commitment

'Learning together, making the difference'

Collective Efficacy

We have a well-developed and securely embedded culture of Collective Efficacy. By this we mean we have, 'A shared commitment to work together on the things that matter to improve outcomes for all.'

The Focus-Trust Values

Professional honesty is at the heart of everything we do. The Trust knows the schools well because of the strong working partnership between academy leaders and the Trust Central Team. It is only by being honest and transparent with a balance of credible challenge and effective support, that we can move forward and get the best for all children and staff. Our work is underpinned by our values:

Care for children, adults and the learning environment

Dare to do things differently and have a go

Be fair, honest and inclusive – demonstrating integrity

Share expertise and best practice for the benefit of all learners

What you might want to know about Focus Trust

Pensions

Focus-Trust contributes to Teachers' Pensions and Local Government pensions in the same way and with the same level of contribution as local authorities.

Employer Relations

Focus-Trust has a Trade Union agreement which recognises the teacher and support staff unions. This is further supported by an ongoing and productive relationship with key trade union officials.

Equality of opportunity

Focus-Trust is an equal opportunity employer, dedicated to a policy of non-discrimination in employment on any basis including age, gender, race, colour, nationality, ethnic origin, disability, gender, religion, age, marital status, sexual orientation and/or medical condition.

Safeguarding

Focus-Trust is committed to safeguarding and promoting the welfare of all children and young people. There is an explicit expectation that all employees share this commitment and adhere to all safeguarding policies and procedures. Applicants should be aware that the recruitment process will include an assessment of your suitability to work with children.

Dress code

We expect all staff to dress professionally and appropriately for the roles undertaken. We pride ourselves on the high standards of dress of both our pupils and staff; these standards are led by our staff who we expect to set an example.

Policies

Focus-Trust and the schools have a range of policies and handbooks that help to make clear our expectations and ways of working. These are always shared openly with staff and are accessible to everyone. There are several policies that prospective employees should be aware of when making an application. These can be found on the Trust website www.focus-

trust.co.uk and school websites. All members of staff will be asked to sign a declaration as part of the induction process to acknowledge that they have read and understand the Code of Conduct and some of the key policies, e.g. Safeguarding and Child Protection, Health and Safety, Acceptable use of IT.

Right to work in the UK

Under the Asylum and Immigration Act 1996, it is a criminal offence to employ anyone who is not entitled to live or work in the United Kingdom. Applicants can expect us to ask for proof of this at interview stage, where you will be asked to provide some original documentation to confirm that you are eligible to work within the UK. Photographic proof of identity will also be required.

Validation of qualifications and identity

All shortlisted candidates will be asked to bring original certificates or relevant qualifications and identity documents to interview. These will be photocopied and kept on file and, if appropriate, may be confirmed as genuine with the relevant awarding bodies. The copies of the successful candidate will be retained on their personnel file. The copies of unsuccessful candidates will be treated as confidential waste and disposed of appropriately.

References and Social Media Checks

If you are shortlisted, we will take up references before the interview date. One of your referees must be your current or most recent employer. Two satisfactory references must be received before we can confirm any offer of an appointment. The information we request will relate to salary, length of service, skills and abilities, suitability for the job, disciplinary record and suitability to work with children. Copies of references or open references will not be accepted. On receipt of references, your referees may be contacted to verify any discrepancies, anomalies or relevant issues as part of the recruitment verification process.

In line with our safer recruitment policy, social media checks will be undertaken if you are shortlisted. This social media check is designed to complement the range of standard recruitment checks and allows us to identify a candidate's online presence which potentially could damage the organisation's reputation.

Knowledge and skills profile

This is an important part of your application and is your opportunity to explain how you meet the person specification for the post. You should demonstrate your skills, knowledge and experience and give short examples. Describe how you match the requirement of the job; include experience gained from previous jobs, community or voluntary work. Ensure that the information you give is well organised, relevant and brief. You may find it helpful to use sub-headings in order to keep your statement well focused. If you do not submit this profile, you will not be considered for short listing.

Disability

To comply with the Equality Act 2010, we are legally required to consider making reasonable adjustments to ensure that disabled people are not disadvantaged in the recruitment and selection process. We are therefore committed to meeting, wherever possible, any needs you

specify on the application form. Please contact Natalie Harris if you need to discuss this in any detail. We will consider any reasonable adjustment under the terms of the Act to enable an applicant with a disability (as defined under the Act) to meet the requirements of the post.

Disclosure of a criminal record

Employment in this role is subject to an enhanced check with the Disclosure and Barring Service (DBS). Checks will also be made against the lists showing people barred from working with children. All checks must be satisfactory before any offer of employment can be confirmed and before commencement of work can take place.
