

Beormund Primary School, Crosby Row, London, SE1 3PS, Tel: 020 7525 9027

Class Teacher required as soon as possible or from January 2023 (MPS/UPS with SEN allowance)

Beormund Primary School is a specialist provision supporting children with complex social, emotional and mental health needs (SEMH). We educate and inspire children who have been excluded from at least one mainstream setting so they often arrive disillusioned, disengaged and with a dissociation to school and learning. As engaging and empathetic adults, it is our role to establish what our children excel at. We nurture their curiosity and improve their self-confidence so that they are then able to recognise and celebrate making mistakes. We want our children to flourish – academically, emotionally and socially - and experience the joys of learning.

We are an SEMH primary school where children are taught the National Curriculum and make accelerated levels of academic progress in order to reach their Age Related Expectations. You will do this by leading a small team of support staff as you educate and empower up to 9 children in your class. Learning is personalised, lessons should be fun, engaging and purposeful. We look beyond behaviours in order to recognise the function they serve as we strive for children to be able to verbalise their thoughts, feelings and emotions.

This role would suit a confident and successful primary practitioner, with a secure understanding of teaching and learning who would like to stay in the classroom but needs a new challenge in their career.

You will become part of a dedicated, cohesive, diverse and supportive staff team who are all committed to improving the life chances of such vulnerable children and their families. We offer a school where nothing surprises you and no two days are the same.

We are looking for a class teacher who:

- Recognises the importance of relationships.
- Has a natural curiosity to learn.
- Is patient, determined, resilient, inspiring and emotionally intelligent.
- Has a concrete understanding of pedagogy and how children learn - recognises that children learn differently and is able to personalise learning to meet the needs of each child in their class.
- Can use distraction and diversion techniques in order to address challenging behaviours.
- Has high expectations of themselves, their colleagues and ultimately the children they teach.
- Is able to make an impact on the teaching and learning beyond their classrooms as a subject leader – to drive whole school initiatives in order to improve outcomes for all children at our school.
- Demonstrates professional resilience as they will invariably be faced with tough challenges.
- Knows how to protect their own emotional wellbeing and mental health.
- Has a sense of humour and wants to have fun in their role.
- Is confident to make mistakes and is a reflective practitioner.
- Enjoys and strives for a healthy work – life balance.
- Understands the impact of trauma and Adverse Childhood Experiences would have on a young child's behaviours, their health and life opportunities.
- Wants to reengage and inspire those who have previously been excluded from mainstream school(s).

Visits to our school are recommended. A phone conversation or a virtual meet with our Headteacher can be arranged prior to submitting your application.

The safety, welfare and wellbeing of the children is the first priority of Governors and staff at Beormund Primary School. All appointments are subject to appropriate vetting and barring checks, as described in the current DfE Guidance 'Keeping Children Safe in Education'

Applicants please download the attached application form from this website or from

<https://beormundschool.co.uk/join-our-team>, complete and send to Julia Padmore at

jpadmore@beormund.southwark.sch.uk or post to the above address. **Please note we do not accept CVs**

Closing date: Monday 10th October 12 noon
Interview date: Week beginning Monday 17th October
