Would you like to work in a school that puts children first?

We take pride in nurturing our entire school community, including pupils, staff, and families. Our Ofsted inspection in July 2024 rated us 'Good', commending our teaching, curriculum, and behaviour. Teaching opportunities at Elm Road are rare, as our dedicated staff tend to stay with us long-term—but we are now looking for the right person to join our team as we embark on the next exciting chapter of our journey.

Together we grow. Together we shine!

The Elliot Foundation

Mission

The Elliot Foundation was created as a safe place for children and teachers where all are nurtured to achieve beyond even their own expectations.

Our motto, “Where children believe they can because teachers know they can” reflects our conviction that raising expectations for all children and teachers is at the heart of a successful and inclusive society.

Vision

FOR CHILDREN: We help children to discover themselves and aspire beyond any limitations that their context might appear to place upon them. We help them understand that they can be, ‘heroes of their own lives’ building the foundations for healthy and successful lives

FOR SCHOOLS: In addition to the essential functional skills of reading, writing and mathematics, children need to learn how to learn and to believe that they can continue to do so. They must also possess the critical thinking skills to sift fact from fiction to be able to think for themselves, freely and creatively.

FOR SUCCESS: To thrive, whatever their chosen path, children need confidence, curiosity and commitment. We will nurture these attitudes across all their learning experiences.

FOR COMMUNITIES: ‘No man is an island’, children at Elliot schools will be raised with an awareness of the world around them and their role in shaping a better future through volunteering
