In recent years Elsley Primary School has doubled to 4-forms of entry. We have created a supportive and high-achieving culture, matched by modern buildings and facilities. Our school is situated in a highly urban area but the school itself is tucked away in a quiet residential setting with its own on-site farm and extensive grounds to support Outdoor Learning.

We are proud of the breadth of our curriculum and holistic education which is matched by strong academic achievements. Our most recent external assessments in 2019, continued an upward trend of achievement. For example, our KS2 progress in each of Reading, Writing and Maths places us in the top 20% of all schools nationally.

We have a happy and diverse community of staff, pupils and their families. We pride ourselves on our nurturing culture for children and for staff. In June 2020 we were recognised with a Gold Award for supporting the physical and mental wellbeing of staff during the pandemic.

Not all superheroes wear capes...

...some work at Elsley Primary School!

We have high expectations for pupil progress and outcomes, combined with creativity within our curriculum offer. Some of our more unusual initiatives include an on-site farm and a whole-school residential curriculum. This starts by giving our youngest children the experience of a night-time walk and a campfire, leading through on-site camping under canvas and culminating in longer trips away from school for the oldest children.

Our pupils face many challenges, including high levels of deprivation and associated difficulties. Significant numbers of pupils arrive mid-year and with little or no English. Our systems and staff training reflect these additional challenges and we collectively strive to overcome these barriers. During the height of the pandemic, in addition to leading and managing online learning, we made regular welfare telephone calls, and our staff set up and ran a weekly food bank for several of our children and their families.

Staff are empowered and improve their practice through an established coaching culture and there is no data-led performance management.

There are extensive opportunities for professional development. Elsley has its own graduate programme; we work with external partners to lead on-site teacher training; we encourage collaboration and networking within Elsley and with other schools; we offer high-quality continuous professional development; as well as opportunities for middle and senior leadership.

Elsley is a lead school for the North West London Teaching School Hub delivering one of the National Professional Qualifications (NPQs) to aspiring leaders across three London boroughs.

There are opportunities for our staff to complete NPQs and many have successfully progressed to leadership posts within and outside of Elsley Primary School.
