WELCOME FROM OUR CEO

It is my pleasure to welcome you to Inspire Education Trust.

At Inspire Education Trust we are passionate about making a difference to the lives of our pupils. They are at the heart of everything we do and we strive to inspire all learners, and want all our schools to be the best they can be and for each and every child, to discover the skills, abilities, talents and interests that lie within them.

We believe in working in partnership, enabling us to ensure all children and pupils achieve their full potential. Our schools know the impact that working collaboratively can bring.

Our schools have a desire to question, change and innovate to ensure that what they provide enables our children to become successful learners, confident individuals and responsible citizens.

At the same time, we recognise the importance for each school to retain and promote their individual identity. Every school has its own context and challenges. This is why we encourage our member schools to lead and manage in a way that preserves that individual identity and responds to the specific needs of their children and community.

The combination of autonomy and collaboration across key areas of leadership and management, underpinned by shared values and best practice is what makes our schools special.

Lois Whitehouse – CEO

DEPUTY CEO

We put the quality of education at the core of our vision. Our school improvement strategies provide an excellent framework to deliver a truly broad, balanced and inclusive curriculum with an emphasis on co-curricular activities such as Arts, Music and Sports from age 2 to 18. We believe that every child is a powerful learner.

We are a progressive Trust with an excellent track record of Primary school improvement across our portfolio of 8 schools, 7 of which are Primary schools.

We have strong models of Primary school improvement alongside high-quality implementation and delivery. We have proven able to deliver high standards of education, systematically, through excellent improvement practice that incorporates knowledge building, evidence-informed professional development, and the creation of communities of improvement.

As a successful Trust we deploy the expertise of specialist primary teachers and leaders across our schools to ensure maximum impact.

The goal is for every member of staff, in every classroom to be as **good as they can be** in what they teach (the curriculum) and how they teach (pedagogy), e.g., paired planning time with subject/ teaching expert to develop teacher confidence and pedagogy.

Coaching conversations with teachers/ leaders so that developments come directly from them to motivate and signpost independent improvements through self-study documents such as WALKTHRUS and external courses. This will allow capacity to be enhanced so that teachers can then improve each other and hone/ innovate practice. Once practice is embedded and impactful, we would look to develop leaders of these areas externally to innovate and lead future practice in their school and more widely across the Trust.

We are constantly refining the way we support, challenge, and improve our schools. At the heart of our approach is first-class teaching.

Rob Darling – Deputy CEO

WELCOME FROM HEADTEACHER

We would like to warmly welcome you to Whittle Academy. Whittle is proud to take its name from the pioneering Coventrian Sir Frank Whittle, who invented the jet engine which is on display in our school entrance if you would like to come and have a look! Thank you for visiting our school website. I hope that you will be able to find your way around easily and will quickly get a flavour of all that is going on in our fantastic school.

Whittle Academy is a vibrant, happy school with a real family feel. We pride ourselves on getting to know the passions and talents of each child, celebrating and respecting their differences and recognising their individual successes. Our aim is to instil in each of them a lifelong love of learning, a deep curiosity about the world around them and a knowledge and belief that they have the power to 'soar beyond what they imagine possible.'

Our ethos at Whittle is one of CARE. We teach the children to care for themselves, each other and the world around them. We offer a nurturing environment that supports children to reflect on their own needs, become independent, develop

resilience and grow in confidence. Our focus is on children becoming well-rounded adults of the future, who can show empathy and care.

Whittle Academy takes great pride in its curriculum – it is both exciting and memorable, inspiring children through enriching experiences. With a strong local focus on Coventry and a commitment to preparing children for life in the 21st century, our children eagerly discuss their learning, showcasing it in their books.

Central to Whittle Academy's success is the value placed on partnership working. We continue to nurture these collaborations as we progress. Our collaboration extends to other schools within the Multi-Academy Trust (MAT) – Walsgrave CE Academy, Clifford Bridge Academy, Stockingford Academy, Arley Primary, Frederick Bird Primary, and Hearsall Community Academy. This collective effort allows mutual support, and collaboration among teachers and leaders, and ensures we stay abreast of educational changes. We wholeheartedly embrace the MAT's vision: "Together we achieve, individually we grow." Our partnership with parents and the community is paramount, aiming to empower you to work with us in supporting your child's learning at home.

All children, staff, parents, and governors, contribute to making Whittle Academy a special place. We are eager to share the unique aspects of our school that make it an excellent learning environment. If you are interested in joining us or learning more about our school, please feel free to come and talk to us – our door is always open.

OUR SCHOOL VALUES

Care

Care is fundamental as it fosters a nurturing and supportive environment. It goes beyond academic achievements, focusing on the well-being of each child. Care involves both educators and peers looking out for one another, creating a sense of security that supports the overall learning experience. When students feel cared for, they are more likely to engage in their studies, build positive relationships, and develop a strong foundation for emotional and social growth.

Respect

Respect is a cornerstone of school life. It promotes a positive and inclusive atmosphere where diverse perspectives are valued. Learning the value of respect early on sets the groundwork for strong interpersonal skills, creating a harmonious learning environment. Additionally, it encourages a sense of responsibility and empathy, crucial for the overall character development of young learners.

Resilience

Resilience is a vital value as it teaches us to face challenges, setbacks, and failures with determination and a positive mindset. Resilience fosters the understanding that mistakes are opportunities for learning and growth. This value empowers us to persevere through difficulties, ultimately building confidence in our abilities. Developing resilience early on equips children with essential coping mechanisms, preparing them for the academic and personal challenges they may encounter in their educational journey.

Community

The value of community emphasises the importance of working collaboratively with peers, teachers, and families. It instils a sense of belonging and shared responsibility. In a strong community, students learn the significance of cooperation, communication, and supporting one another. This value promotes a positive school culture where everyone feels valued, contributing to a conducive learning environment.

Success

Success goes beyond academic achievements; it encompasses personal growth, development, and the attainment of goals. Instilling the value of success encourages a positive attitude towards learning and motivates our children to strive for their best. Recognising and celebrating both small and significant accomplishments boosts self-esteem, fostering a culture where students are driven to set and achieve their targets. The value of success sets the foundation for a lifelong love of learning and personal achievement.

MISSION AND ETHOS

Our core value is CARE, and this underpins our ethos.

Ethos

At Whittle, we care about ourselves, each other, and our world.

Motto

Soar beyond what you imagine possible

ENHANCED RESOURCE PROVISION

At Inspire Education Trust, we are committed to ensuring all children flourish and support the needs of all children. To help and enable children to achieve their full potential and who find it difficult to access learning in their mainstream classroom, we have opened an Enhanced Resources Provision which is commissioned by Coventry City Council for September 2023.

Ten children with an EHCP have been allocated a place in the ERP, who need specialist provision to support Communication and Interaction difficulties.

We have support from the Complex Communications Team and a Speech Therapist who have regular days and times in the ERP. We have a leading teacher, Mrs Edwards and four skilled Teaching Assistants. Children who access the ERP are part of our Whittle school community and are encouraged to engage with school life.
