Dear Applicant,

Thank you for your interest in the position of **Class Teacher** at St Joseph's Catholic Primary School. If you would like to arrange a preliminary tour, please do get in touch — I would be delighted to show you around our school.

We are keen to hear from enthusiastic and committed professionals, who will support our Catholic ethos and who are also passionate about teaching and learning. Applications are warmly welcomed from both Early Career Teachers and more experienced colleagues. Whilst the final deployment of staff will be determined in due course, I would be particularly interested to hear from candidates who feel confident teaching in Upper Key Stage 2, or who have a strong interest of developing their practice in this phase. Whilst the role has been advertised full time, we will consider part time options for the right candidate(s).

In our most recent Ofsted inspection (2023), St Joseph's was once again judged to be Outstanding. Inspectors noted that "St Joseph's is a community where pupils thrive and feel safe". More recently, in September 2024, our Catholic Schools Inspection also concluded that St Joseph's is Outstanding in every area. Inspectors highlighted that "the school community goes the extra mile to provide an exceptionally supportive and joyful environment for each of its members, valuing all without exception."

The closing date for applications is Friday 17th April at midday, although early interviews may be held for exceptional candidates. Shortlisted candidates will be notified shortly afterwards, with interviews scheduled for the week commencing 20th April (tbc).

I look forward to receiving your application.

Yours sincerely,

Tim Hallett

Headteacher
