Mr Paul Holloway
BSc (Hons), PGCE, NPQH
Principal

Dear Potential Candidate,

Thank you for showing interest in our current vacancy for a class teacher in our KS2 Resource Base at Palace Fields Primary School.

Palace Fields Primary School is a medium-sized school with 180 children currently on roll, organised into 8 classes (Years N - 6 and a Resource Base class of up to 10 children). The majority of children come from within the local area of Palace Fields.

Our resource base is a real asset to the school and every member of the school community benefits from this provision being part of our school. The base, along with the rest of the school, has undergone a transformation over the last two years and we are looking for someone who can continue to build on this success in particular to further develop our curriculum offer for the children attending the base.

We work closely as a team of staff to reflect and review and seek continued improvements for all our children. We are passionate about every member of our school community "Learning and Growing together". Not only do we think it is important for our children to be learning but also the staff. We place a high priority on CPD here at Palace Fields Primary School with a range of on-going opportunities provided for staff at all levels.

Being part of The Heath Family (NW) also brings additional opportunities to the role as we work together with our partner schools to share good practice and provide mutual support.

We very much hope, having read all the information provided, that you decide to apply to become part of the team at Palace Fields Primary School. If you require any further information please do not hesitate to get in touch with the school office.

Kind regards

Paul Holloway
Principal
