

Wood Farm Primary School

*Reach **higher**, see **further**, shine **brighter***

Thank you for your interest in working at Wood Farm Primary School. Housed in a beautiful set of buildings and landscaped grounds in the Headington area of Oxford, we believe that Wood Farm is a very special place to work, learn and grow as a teacher. We have over 400 pupils and children in our school from a wide variety of backgrounds, including many who join us from the neighbouring Nursery School, and others who have recently arrived in the country. We pride ourselves on the friendly, welcoming atmosphere that we have established in our large and vibrant school and the way that our children work, learn and play together.

As a teacher working in our school, whether newly qualified or more experienced, our commitment to your professional development is second to none. We have very high ambitions for our children and for our school, and we welcome staff members who are serious about being at the leading edge of our profession. Our teachers, teaching assistants, and other colleagues work closely together to deliver the very best for our children – and to ensure that everyone has the opportunity to 'be outstanding'.

We'd love to share with you firsthand some of the things that make our school special: current restrictions mean that we are having to take a flexible approach, but visits from potential candidates may be possible by prior arrangement. You will also find more information on our website www.woodfarmschool.org.uk, on Twitter (@WoodFarmSchool) and on YouTube (search for Wood Farm School).

We look forward to meeting you.
