Competitive Compensation and Benefits

We recognise the value and dedication of our staff by offering comprehensive benefits packages including:

- Comprehensive and generous pension schemes for both teachers and support staff, ensuring a secure and stable future.

Teachers' Pension Scheme

As a valued member of The Vine Schools Trust, you will automatically be enrolled in the Teachers' Pension Scheme. This is an excellent opportunity for you to save for your future while benefiting from potential tax advantages, as your pension contributions are deducted from your salary before tax is applied.

The Teachers' Pension Scheme is fully backed by the Government and guarantees an annual pension until you die. The amount of pension accrued is determined upon your salary and service, meaning the longer you are a member, the more your pension will grow.

Your contributions to the scheme are complemented with a generous top-up from the Trust, enhancing your retirement savings and as pension contributions benefit from tax relief, you can reduce your taxable income each month, allowing you to pay a little less tax.

As long as you remain a member of the scheme, should the unthinkable happen, a death grant from your pension can be paid to your beneficiaries.

Local Government Pension Scheme (LGPS)

Upon joining our Trust in a support role, you will automatically be enrolled in the Local Government Pension Scheme (LGPS), a secure defined benefit pension plan that includes generous employer contributions. Your pension is based on your salary and length of service, ensuring a stable income upon retirement that is unaffected by market performance.

You will benefit from tax relief on your contributions and can enhance your pension savings by paying additional contributions. The LGPS also offers financial protection for your family, including life cover and pension benefits for your spouse, eligible partner, and dependent children in the event of your death while contributing. Additionally, immediate ill-health benefits may be available if you face serious illness.

- Incremental Pay Progression and Cost of Living Increases

As the Vine Trust adheres to the nationally recognised pay scales for all teachers and support staff. Each year, following a successful performance management review, you can anticipate an increase in your salary by one spinal column point, continuing until you reach the maximum of your scale. Further details can be found in our Pay Policy. This is in addition to cost of living adjustments in accordance with government policy.
