Dear Applicant

Thank you for taking an interest in the post of Class Teacher at Harbour Vale School.

We are a pupil referral unit and we educate students who have been permanently excluded or are at risk of permanent exclusion from mainstream education at Key Stages 3 or 4.

We also offer SEMH places at KS4, short term turnaround placements and medical places at both KS3 & 4.

The need for specialist and PRU places in Dorset is increasing and with our new school buildings it is possible for Harbour Vale to grow and flourish to support children within our locality.

As a school we joined the Sherborne Area Schools Trust (SAST) in November 2019 and officially became Harbour Vale School. It is fantastic being part of a trust who puts children at the centre of everything they do. Having a sense of belonging and working together with so many experienced colleagues, with great CPD opportunities, collaborative working, learning and support mechanisms centrally. Reinforces the benefits of being part of a Multi-Academy Trust.

Last academic year Harbour Vale School had a huge makeover. We commissioned a new build that included a new reception and classroom, as well as internal renovation work, leaving us with a school that is welcoming, friendly and fit for purpose.

We have robust processes of student induction that includes baseline and diagnostic testing upon entry, which allows staff to plan personalised learning from the moment the students arrive with us and supports positive re-integrations.

Our school values and ethos is centred on students to believe in themselves, feel proud of their achievements and successes, and we aim to support learners becoming more respectful, responsible and resilient learners.

Harbour Vale School has intervention programmes and personalised timetables for each student and we work collaboratively to promote positive outcomes and celebrate every small win.

We are looking to appoint an Class Teacher who can start in September 2023.

If you are passionate about Inclusive Education, have knowledge or experience of SEMH, mental health and student well-being and are up for a challenge, we look forward to receiving your application.

Yours sincerely

Victoria Rashleigh

SHERBORNE AREA SCHOOLS' TRUST (SAST) INFORMATION

SAST is a multi-academy trust, formed in June 2017, of seven schools serving the West and North Dorset area as well as students from South Somerset. Currently, there are 17 schools with more than 5,000 students and over 850 members of staff. SAST has large town primary schools with over 300 children, smaller village primary schools and nursery provision. SAST also has 4 secondary schools including a state boarding school and Sixth Form and a large 11-18 secondary school with a Sixth Form of over 400 students. There is a mix of formerly maintained and Church of England schools - both voluntary controlled and voluntary-aided in the Diocese of Salisbury. We believe in preserving Schools in their local community.

Our Schools:

A key principle of the SAST is that member schools maintain their own character, such as church and community status. All schools in the multi-academy trust are equal partners and are committed to the principles of collaboration, sharing expertise and resources to enable all partner schools to deliver excellent education for all young people in their care.

At the heart of SAST is the desire to work in partnership, to collaborate with others and to be outward facing for the benefit of children and staff. The schools have extensive links beyond the immediate area and are keen to extend these further. The Gryphon School was designated as a National Teaching School and National Support School in the summer of 2017 and leads the North Dorset Teaching School Alliance.

SAST works by providing opportunities to share and improve - to develop further our provision as well as supporting the quality of leadership and management. This includes sharing best practice, being creative in maintaining a broad and diverse curriculum, ensuring the care and support is in place for children and families and enabling further staff and teacher development. We also work together on meeting the challenges of funding and the opportunities for financial efficiency, determining for ourselves which services and providers we will use to provide outstanding provision for our children. There is real strength in coming together with a collective responsibility for all the children's development and progress between 0-19 years.

What we value – our ethos:

Partnership and Collaboration

Our schools support each other, by sharing expertise and resources, to ensure improvement.

Pursuit of Excellence

We provide a high-quality education to enable all students and staff to aspire, thrive and succeed.

Holistic Lifelong Learning

We promote the personal development of every child and a love of lifelong learning for our students and staff.

Equality and Distinctiveness

We celebrate the individuality of each school and all in it. We are proud to be at the heart of our local communities.

Organisation - How we work:

All our schools are successful. Of course, we recognise that we need to continually improve and evolve. The priority is to enable every School to continue to provide an excellent education for all our students

while protecting the school's role at the heart of its community, along with our unique qualities and strengths.

There is a balance as to the responsibilities delegated to Schools and those that are the responsibility of SAST. The focus is to continually evaluate, improve and develop through strong, effective, and accountable leadership at all levels. The aim is to establish clear, simple and effective accountability including slim and streamlined governance.

Partnerships:

Partnership and collaboration are a core feature of all our Schools – a genuine desire to be outward-facing, to use the best ideas from across the world. The schools have always worked closely together and across Dorset and Somerset.

SAST Benefits:

As part of the Sherborne Area Schools Trust, we can offer you a range of benefits including:

- High quality CPD opportunities
- Employee Assistance Programme and subsidised access to the Gryphon Sports Centre
- On-site nursery provision at some of our academies
- Cycle to work scheme
