Post: Classroom Teacher - Main Teacher Pay Scale (depending on experience) - Permanent

Required: September 2026

The Governors of this friendly and welcoming school are seeking to appoint a talented, enthusiastic and dedicated teacher who wishes to join our thriving teaching team and school.

We are looking for an outstanding teacher who is committed to the Catholic ethos of our school; an excellent classroom practitioner, who has high expectations of the students within their care and who works effectively as part of a team. Your teaching should inspire and motivate our learners and you should be driven by a passion for making learning fun, exciting and challenging. Our children are developing a growth-mindset approach to learning and we expect the successful candidate to model this in their teaching.

Candidates will need to demonstrate good communication and nurturing skills, be enthusiastic and able to work on their own initiative at times and to engage in the fulfilment of our school mission:

Our mission, with God's help, is to grow and develop in all areas of our lives. Within a safe, happy and stimulating environment, we aim to be the best we can.

The successful candidates will be committed to the Catholic ethos of our school. A determination to raise standards, having high expectations and working effectively as part of a team are essential.

Informal visits to the school are always welcome and can be arranged via the Headteacher or school office. We look forward to hearing from you.

The Governors are committed to safeguarding and promoting the welfare and safety of children and staff. DBS (enhanced) checks are undertaken as part of our safe recruiting process.

Job description, person specification and application forms are available on the Derbyshire County Council website and our school website:
