Keeble Gateway Academy is a new academy, which opened in September 2019. In September 2021, our Year 1 class will move to Year 2, and we want to find the perfect teacher for them! The Academy will grow, year on year and this is a brilliant opportunity to play a lead role in our developing team. Our brand-new building opened in summer 2020, including state of the art facilities for Sport and ICT, a sensory room and immersive space, and a large school site including playing fields, MUGA and forest schools area.

This is a key appointment for the academy. Our children and families have had an excellent start at Keeble – and we look forward to building on that in 2021/22. Your practice, ethos and approach to school life will shape the lives of our children, the school we are building and the future staff that are appointed. As such, it is key that:

- ✿ Your priority in the classroom is building relationships with children;
- ✿ Your values are aligned to our school values of love, kindness, aspiration and self-belief;
- ✿ You enjoy teaching and are passionate about your career;
- ✿ You are ready to play a leading role in school life;
- ✿ You are committed to ensuring every child achieves their absolute potential, regardless of background or barriers;
- ✿ You have exceptionally high expectations for your children;
- ✿ You are an innovative practitioner, interested in using research to develop your practice;
- ✿ You are committed to a team approach – being a small school, we all contribute and help each other across aspects of school life.

This is a unique opportunity for career development. As the school grows, so will the opportunity to lead, develop and grow. We would love to appoint someone with an interest in leadership, either now or in future. An interest in leading mathematics would be beneficial. Please describe your leadership aspirations as part of your application.

We are part of an excellent Multi Academy Trust, which values networking and support highly. If you are a less experienced teacher or leader, you will be excellently supported throughout. There is a high level of teaching assistant support across the school.

If you would like to apply for this role, please look carefully at the following materials and complete the application form.
