Welcome to Applegarth Primary School. Our historic building is in the centre of Northallerton in the heart of North Yorkshire. When our school was built in 1909, it was intended to be the model school in the county. It is our goal to make this vision a reality.

Applegarth Primary has an intake of 40 pupils per year group (280 currently on role). We have big ambitions for our school as we continue to share and develop excellence for our children and our staff team.
