Do you have a proven track record of delivering consistently strong teaching with excellent knowledge of the national curriculum and creative teaching strategies? Do you ensure that assessment informs planning and aim for all children to achieve the best outcomes? Are you looking for a change/challenge for the autumn and want to be a part of a learning community which is always looking for ways to improve our provision? If the answers are yes we would like to hear from you.

At Kinderley, we pride ourselves in supporting all our staff with high quality CPD and training. We value teamwork and collaboration at all levels. In addition to this, we are well resourced with great grounds, a Forest area, library and separate Pre-School. Our children are hard-working and enthusiastic and our staff are friendly and supportive.

Why not book a visit to the school before you apply?
