The school is currently going through an exciting period of change and the extension to our school building should be finished early in 2022. Once completed, the school will be able to enhance even further the richness of its curriculum and provide our children with the opportunities they deserve to flourish and excel. Many areas of our teaching practice are at the cutting edge and the successful candidate will have the opportunity to add to this thinking as well as benefitting from being part of the school's journey.

We are seeking to appoint an enthusiastic and committed teacher who is:

- a team player who will add to the energy and enthusiasm of the team
- able to prioritise and pace themselves
