Cubitt Town Primary School is seeking to appoint a creative, energetic and enthusiastic teacher to join our wonderful team. The successful candidate will be committed to supporting our children to achieve the very best they can.

At Cubitt Town Primary School, we are extremely proud of the progress that our children make, and that they achieve the national average in reading, writing and maths. We are equally proud of the exemplary behaviour and caring nature of our children and the pride they take in themselves and the school environment. We are looking to appoint teachers who are committed to both enriching our learning environment while teaching a curriculum which inspires opportunities for all.

We passionately believe that happy, well-supported teachers make good teachers. We take the wellbeing and professional development of our staff seriously and work hard to ensure that our teachers are encouraged to maintain a healthy work-life balance. The successful candidate will be prepared to work hard and respond to the daily challenges of classroom teaching and school life. We try to keep unreasonable demands to a minimum, endorse equality and inclusion and ask that our teachers work together as a solution focused team. We believe in innovation and pride ourselves in providing an environment where teachers have the freedom to teach and to grow – you are the experts after all!

We take the welfare of our children very seriously and expect all those who apply to abide by our safeguarding principles and practice.

We offer:
