

Cubitt Town Primary School

04/06/2024

Dear Candidate,

Thank you for your interest in applying for a position to teach in our school. It is a fabulous school to work in and I am incredibly blessed to have been the Headteacher here for the past 15 years. Our school amalgamated in April 2022 and we are proud of the 3FE Primary school that we have created.

The school serves a diverse community - one we are proud to be part of. Our children make this school what it is today. A warm, joyful environment which buzzes with the excitement of learning new things. We are an inclusive school and believe that each child teaches us new ways of learning. We believe that as the world changes around us, we too should change. Innovation is one of our staff values and we strongly believe that the drive to improve should never stop. We are looking for someone who wants to continue to develop as a teacher, who believes in inclusion and puts the wellbeing and safety of our children at the forefront of all they do.

Our teachers are hard workers. They work as a team to ensure that our children get the best. The best teaching, the best resourcing, the best support and the best trips. Each member of staff is driven by the aim that we give every child the chance to reach their full potential. We strive to ensure that every member of our school community has their voice heard and is treated with kindness and respect.

We ask that if you choose to apply to join our school, you do so for the right reasons. That your visions align with ours and that you value inclusivity, equality and challenge as much as we do. Teaching is not easy - however, if you get the school right - it is possibly one of the most rewarding jobs ever. Please look over our website, come visit if you can - we would love to meet you and get to answer your questions prior to your application.

We take the safety of our children very seriously and as part of the safer recruitment process, if you are shortlisted we will go through all the processes necessary to ensure you are the right fit for our school.

We look forward to your application.

Kind regards

Ms Robyn Bruce

Headteacher
