Gravel Hill Primary School is a popular two-form entry primary school in the centre of Bexleyheath; we are part of Unity Academy Trust, along with Upland Primary School.

At Gravel Hill, our values of confidence, aspiration, respect and excellence are at the heart of everything that we do. Our school has a vibrant feel; we are proud of our happy, welcoming staff team, the positive atmosphere and our strong community links. We have invested in every aspect of the school to ensure that all areas are very well resourced. Technology is at the centre of every classroom. Our extensive grounds promote outdoor learning and our newly designed early years area provides the best possible start for our youngest children. The exciting, innovative and progressive curriculum at Gravel Hill ensures that our children leave with necessary skills, knowledge and attributes to become learners for life.

We are now looking to recruit a teacher for our morning only nursery, with the passion and enthusiasm to further raise standards in our wonderful school. We already have a strong team of dedicated and passionate staff and we are looking for a creative and aspirational class teacher to join our committed staff team. We would be delighted to receive applications from an experienced teacher or an NQT.

The children at Gravel Hill are encouraged to become independent learners; we work together to build confidence and self-esteem, allowing children to explore different activities in a range of ways. Through our teaching and learning model, our aim is to enable all children to reach their full potential by developing excellence and enjoyment, simultaneously appreciating and valuing each teacher's individual style, approach and commitment. Our school community is looking for someone who believes in our vision and values; in return we offer an intensive induction package, supportive leadership and colleagues, a commitment to high quality CPD and a genuinely happy environment to work in.

We are fully committed to safeguarding and promoting the welfare of children and expect all staff and volunteers to share this commitment. All offers of employment are subject to a satisfactory enhanced DBS disclosure and other pre-employment checks. We are also committed to equality and diversity in employment practice and service delivery.
