Role Summary

We are seeking a passionate, dedicated, and inspiring teacher to join our teams at Fen Ditton Primary School and Marleigh Primary Academy. This is an exciting opportunity for dynamic educators to make a real impact in the lives of our pupils and be part of our vibrant and supportive school communities.

At both Fen Ditton Primary and Marleigh Primary Academy, we are committed to providing high-quality education in an inclusive and nurturing environment where every child is valued. We are looking for a teacher who is eager to contribute to the success of our schools, ensuring every child receives the best start in their educational journey.

Questions we think you should be asking:

Which year group is the vacancy for?

We know we are looking for an excellent teacher – the year group allocation will follow! The year groups for KS1 and KS2 are flexible at this time as we want to find the right people. For us recruiting teachers is about us finding the right fit for our team. We can discuss year group, or phase preferences during the interview process and where possible these will be accommodated.

Why do you have vacancies?

The main answer - We are growing! Marleigh Primary Academy opened in September 2023 and we are on a journey of growth to fill our 420 place school. This means that each year we take another step on our growth journey!

Why are there two schools?

We are proud to be sister schools! With one Executive Leadership team we offer collaborative, well-rounded, considered decision-making, drawing from different areas of expertise and perspectives. With a system of distributed leadership, this shared responsibility promotes greater accountability and allows for more focused attention on the specific needs of the school. The leadership team's collective expertise enables us to manage and monitor various aspects of the school's performance effectively, leading to sustained improvement and enhanced pupil outcomes. Being partnered together allows our schools to run efficiently which benefits our staff, pupils and families.

This is a unique opportunity to gain experience of two schools whilst being based in one for your teaching commitments. Having a wider team of colleagues to learn with, be supported by and to grow alongside makes life at work enjoyable.

Can I choose which school I work in?

Your contract will name both schools. At the interview you can express a preference if you have one for your first location and where this can be accommodated it will be. We always work on the best fit for our staff members and the school communities at the time. An advantage for staff is that they have the opportunity to move from one of our schools to another to broaden their experiences which can be impactful when considering career progression and development.

Are these vacancies suited for me at my stage of my career?

We know a diverse team is the best kind of team! These positions will be filled by the candidates that are the right fit for our schools. Whether we could be your first school and we therefore support you through your ECT journey, or one of your last schools in your career, a school you return to after a period of leave, or one that you join as we appeal to you as the right next move for you - we don't mind as we will meet you where you are on your journey and if you are the right fit then we will continue your career journey with you.

Why your schools, why me, why now?

We are on an exciting growth journey and can offer you a supportive team, a school model that offers you a range of development and progression opportunities and a culture that is rooted in a commitment to the wellbeing of its staff and being at the heart of our communities. Put simply – we don't want to brag, but we are a good group of people, wanting the best for our children and we facilitate a positive environment to do this in together. We know it is important for everyone to feel they belong to be able to achieve greatness and we are deliberate in enabling this. That can't be said for every school so whilst simple, we are proud of this and if you are the right fit for us, we'd love to have you on board!

What is the recruitment process?

Tours of our schools are welcomed and these will be based at Marleigh Primary Academy as the larger of the two schools. Please contact Alia Mabrouk enquiries@marleighprimary.org to arrange your attendance at one of the tours listed below:

- Tuesday 21st April 9:30am, 1pm
