About Anglian Learning

Founded in September 2016 of four community-facing secondary schools seeking to share knowledge and provide mutual support, Anglian Learning has grown over the past seven years to be one of the leading school trusts in the region.

Educating more than 9000 pupils and employing over 1000 staff across three counties and eighteen academies, the Trust's mission is to enable inclusive and aspirational learning in every classroom, empower leaders across every academy, and ensure inspiring opportunities and educational success for all of our learners, people and communities.

Alongside this, the Trust remains committed to its heritage which is rooted in local communities and several of our schools provide adult learning opportunities and support for local groups and societies. We also operate our own sports centres under the banner of Anglian Leisure. Local, high quality and representative governance of schools is a key aspect of our leadership structure and we are recent winners of the NGA National Outstanding Governance Award as a reflection of this commitment.

In addition to our commitment to celebrating our community ethos, we believe strongly in empowerment: of pupils, our people and, crucially, our leaders. As recent research has reiterated, headteachers are incredibly influential in the success of schools and of their learners. The role of the Trust is therefore to provide the environment in which our leaders can grow, develop and flourish in their role. Our central team provides extensive, expert and rapid advice and support in human resources, finance, ICT, estates and operations. Therefore, our school leaders have the space and focus to drive school improvement in the curriculum, teaching, behaviour and in establishing the healthy culture and ethos that underpins this.
