

Teacher and Middle Leadership Vacancy

MASON MOOR
PRIMARY SCHOOL
Learning without limits

Mason Moor Primary is a one-and-a-half form entry school, situated in the Millbrook ward of Southampton.

Almost 50% of our children are eligible for free-school meals. We do not let context define our aspiration for every child and we hope that you'll be a teacher and leader who believes in this mantra.

We need a teacher and leader who:

- Who is passionate about changing the life-chances of our young people.
- Who is hungry to help us make a difference.
- Who believes that community regeneration begins with the transformation of the school.
- Who understands the mantra of 'whatever it takes' to improving children's educational outcomes.

What we do differently:

Sharp focus on supporting teachers to improve Subject Knowledge

We have a fully planned curriculum that enables teachers to have their Sunday evening back!

We value teacher well-being and provide a well-being day of release to all staff during the year.

We believe in doing things differently – VR (virtual reality)

Start date: Summer 2023 or September 2023
