## About Our Trust

Prime7 was formed in 2013 and joined together Middleton Cheney Primary, King's Sutton Primary and Chipping Warden Primary Academies. The aim of the Trust has always been to work collaboratively across all three schools. We strive to ensure that our schools offer the very best education for all of our pupils. We also want to ensure that our staff enjoy working across the Trust and feel valued as part of a collaborative team.

At Prime7, we aim to provide the best opportunities for all pupils to develop strategies to face life's challenges. We want them to show courage and take risks in their learning whilst enjoying an enriched school experience. Community is important to us and each school is valued for its own individuality but it also plays an important part of the Trust as a whole. Across our schools we foster an environment where respect is earned and given in equal amounts. Our school communities promote kindness, friendship and trust so that our pupils will grow up to be young citizens that are able to show empathy towards others and become role models that are an inspiration to others.

### Our Vision

Our ethos is to provide the best possible environment for children to learn and develop, as well as to cultivate a sense of wonder, empathy and understanding of the modern society they are growing up in. Together, we will strive to realise the potential in all of our children so that they are fully prepared for the next stage of their education. We want to empower our children to succeed. The Trust's mission is to ensure that our staff, parents and carers are valued and well cared for so that we can work together to provide children with the best education and to know how to stay safe and healthy. We want them to take their place as responsible citizens that promote sustainability in order to protect the world around them for future generations to come.

Prime7 has seven core values and principles to support the delivery of our mission.

**AMBITION:** to have high expectations in all we do and to have ambition for continuous improvement whoever we are.

**ENJOYMENT:** to create schools that foster creativity and curiosity so that children thrive on enrichment and thoroughly enjoy their school experience. We want our children to be excited learners.

**INSPIRE:** to empower children to take responsibility to strive and achieve in their learning and to be the very best that they can be. They will be responsible citizens that model sustainable practices and behaviours to protect the natural world. They will be role models and a source of inspiration to others.
