Letter from Catherine Paine, Chief Executive, REAch2 Academy Trust

Dear Candidate

Thank you for your interest in this role within the REAch2 Academy Trust.

This is a hugely exciting time for our family of schools. The Trust has been recognised by the Department for Education as being well placed to raise standards and achieve excellence for pupils in a growing number of schools nationwide. We are presented with a rare opportunity to make a real difference to the lives and life chances of so many primary school children – many of whom haven't previously received the educational opportunities they deserve.

The Trust includes schools at all stages of development, from those requiring significant improvement through to existing outstanding schools. As a Trust we are clear about the importance of achieving long term sustainability for our schools. Our vision is to enable individual academies to flourish with real autonomy, whilst also ensuring a strong ethos of support and collaboration across our schools.

Teachers within REAch2 belong to a national community of professionals, and benefit from a wide range of networks and development opportunities across the Trust. In time, our best teachers are able to work across schools, develop specialisms and step up to leadership roles within and beyond their own academy. The Trust provides a strong culture of collaboration and support, together with high expectations for staff and pupils alike.

Those we recruit are able to demonstrate that they share our values, are highly motivated to work with colleagues within and beyond their school to continuously develop their skills and pursue professional excellence, and are committed to providing the highest standards of teaching for all children. If that is you then we would be delighted to receive your application.

REAch2 Academy Trust

Our Cornerstones and Touchstones

REAch2 is the Cornerstone of the Trust: providing a strong, responsible foundation from which every academy develops and grows. A cornerstone provides a subtle yet paramount role in the construction of a building and ensures that REAch2 is a trustworthy, accountable and inspirational organisation, delivering the best possible learning experience.

REAch2 is defined by the values of **excellence, quality, delivery and standards** – these features give the Trust its enduring attributes and its inherent reliability.

However, what gives each REAch2 Academy its uniqueness are the Touchstones of the Trust (seen on the right). Just as 500 years ago touchstones were used to test the quality of the gold they marked, so too our touchstones find what is precious and set these things apart. They are used to express the values and ethos of the Trust and describe what the Trust wants to be known for and how it wishes to operate.

With good **leadership**, we aspire to develop children academically, emotionally, physically and spiritually.

We notice talent and spot the ‘possible’ in people as well as the ‘actual’. Developing potential across our Trust becomes a realisation that there is a future worth pursuing for everyone.

Children deserve **enjoyment** in their **learning** and the pleasure that comes from absorption in a task and achieving their goals. Providing contexts for learning which are relevant, motivating and engaging, release in children their natural curiosity, fun and determination.

Inspiration breathes energy and intent into our schools: through influential experiences, children can believe that no mountain is too high and that nothing is impossible.

REAch2 serves a wide range of communities across the country and we celebrate the economic, social, cultural and religious diversity that this brings: embracing **inclusion** ensures that we are a Trust that serves all, believing that everyone can succeed.

We take our **responsibility** seriously. We act judiciously with control and care. We don’t make excuses, but mindfully answer for our actions and continually seek to make improvements.

REAch2 is a Trust that has a strong moral purpose, our **integrity** is paramount. Our mission is to change children's lives by providing the very best quality education we can. Through this, children can fulfil their potential, become happy, successful adults and contribute effectively and meaningfully to society. We welcome the fact that all our decisions and actions are open to scrutiny. [You can learn more about REAch2 at our website: www.reach2.org](http://www.reach2.org)

Staff teams and Structures

The Robert Fitzroy Academy enjoys generous staff: pupil ratios with full-time teaching assistants or Higher Level Teaching Assistants in all classes, specialist music, PE and art teachers to cover PPA and additional teaching staff providing interventions.

Team working is a noticeable feature of our school culture. Each phase, EYFS, KS1 and KS2 are led by Leaders who shape and develop the curriculum for their phase and organise many aspects of the day-to-day running of the classes. They are also well-positioned to be involved in quality assurance of provision, in the implementation of school policy and contributing to the school vision.

Subject leaders are well supported by the Senior Leadership Team and are instrumental in innovation and ensuring best practice in their areas. The school is well resourced and all areas have a generous budget attached. Subject leaders play a key role in developing the practice of peers and actively contribute to the school's CPD programme.

What do our staff think?

	<p>Laura Channell - Class Teacher and The Arts Lead</p> <p>I began my teaching journey at RFA in 2015 as a newly qualified teacher and I am so excited to be embarking on my 7th academic year here!</p> <p>From the moment that I entered the school building all those years ago, I knew that this was somewhere incredibly special. From the inspiring learning environment, the motivated and passionate staff, to the enthused and happy children – RFA is a place where everyone can flourish. When I started, I joined as a Year 3 teacher and this was the top year group that the school had. It was so exciting to be part of a growing school and to be part of helping to shape that growth. Now that we have had several years at full capacity, it is amazing to see how the school has developed since I first walked through the door. As a teacher, it has been amazing to develop my skills in the classroom and across the wider school through excellent, specific and tailored CPD which is held each week. Everyone at RFA is encouraged to be the best version of themselves for our children. Since working at RFA, I have been entrusted to construct and implement the arts curriculum across the whole school which includes Music, Art and Design Technology. Throughout my time here at RFA, I have been supported throughout my development as a teacher and a leader. The ethos and vision of the school are evident throughout the entire building and everyone at RFA plays an integral role in ensuring that it is the best possible learning environment in which our children can learn. One of the things that I love the most about working here is the sense of ‘team spirit’ that runs through the staffing team. I feel incredibly lucky to be part of such a driven and outstanding team of people as well as working with such magical children! It really is a special place to be.</p>
	<p>James Fray – Sports Coach</p> <p>My Robert Fitzroy Academy journey started in January 2017. During my first year at RFA I was able to set up various sports teams, with the help of supportive staff members such as a football team, netball team, athletics team and a tag-rugby team. These sports tie in with our enrichment curriculum throughout the year and our after school sports clubs. As these sports are very popular at RFA I have been lucky enough to access a few courses to keep myself and the school up to date with the latest ideas for these specific sports, to ensure the children are getting the best provision possible. Alongside my PE responsibilities, the Senior Leadership Team has supported me becoming an Emotional Literacy Support Assistants (ELSA)/mentor. Accessing the ELSA course has given me a better understanding of how to enable our children to become confident around the school, as well as supporting our vulnerable children to gain a better understanding of their own emotions through mentoring interventions.</p>

	<p>Jola Lemin Class Teacher , Year 2 Team Leader and Computing Lead</p> <p>Having joined the RFA in 2015 I am about to begin the 7th year of my journey. You cannot help but be excited and enthusiastic in this space, whether you're inspired by your colleagues, the children or the beautifully bright and inviting learning environment. Since arriving as an RQT, the RFA has afforded me the opportunity to redesign our Early Years provision as well as lead subjects and year group teams from EYFS to across KS1. Our school encourages us all to be leaders in our own right and the experiences we have offered our children over the past 9 years are nothing short of exceptional. By the end of this academic year my first Reception class will be leaving for secondary school and having now nearly watched their RFA adventure from start to finish I cannot have imagined growing my teaching career anywhere else.</p>
	<p>Dan Biswas Class Teacher</p> <p>At the very beginning of my journey at the Robert Fitzroy Academy, I knew I was at school that clearly stood out. From its vibrant and energetic atmosphere to the wide range of lessons and activities offered, RFA demonstrated as a school it valued innovation, passion and a highly nurturing approach to education. I joined the school as an NQT in 2019 and from my first day, I felt like a valued and trusted member of the community. Through the excellent academy trust programme, I have been given the opportunity to develop and grow my own teaching practice. This was especially apparent through the Covid-19 pandemic, in which the school ensured that as NQTs, we were fully supported in every way. Over the last two years, I have continued to gain experience and confidence working alongside a fantastic team of enthusiastic and encouraging individuals. At RFA, the whole school experience is truly special.</p>
	<p>Laura Wallace, Class teacher, Assistant Head and English Lead</p> <p>My Robert Fitzroy Academy journey started 4 years ago. First, I was attracted because of the school's digital presence on their website, Twitter and inspiring videos, but also a line in the job advert that stated, 'Any idea is a good idea'. It spoke volumes to me as being a place of trust, development and innovation. Since I started here as a Team Leader, I have had nothing but a great experience with both staff and children alike. There is such a strong sense of community and learning that you can't help but get caught up in it. The school provides fantastic development opportunities and through support from the headship team, I have had the privilege to become a Specialist Leader in Education (SLE) where I can offer support within our school and other schools within the trust. Over the last three years, I have gained experience and confidence, developed my teaching and leadership and joined a family that I feel truly part of. Here, the whole child really is the whole point.</p>

	<p>Sri Gowri Dasari - Teaching Assistant</p> <p>My journey at Robert Fitzroy Academy began in September 2018 as a newly qualified Teaching Assistant. Prior to joining RFA, I worked in different banks. My decision to switch from banking roles to teaching and joining RFA has been really fantastic. It has allowed me to work on an area I am passionate about- to be able to work with children and help them achieve their dreams. Everyday at RFA is different. The experience that RFA gives to its TAs is almost on par with teachers. The quality of training and the depth of experience that RFA has provided so far has been wonderful. The staff here are enthusiastic and passionate about what they do and they all have a common dream and vision- to provide the best for all the children here at RFA. The last few months since the pandemic has begun has been challenging for all of us but even in these difficult times it has been great to work within the constraints and still be able to help the kids not lose track of their learning goals. I feel extremely lucky to be a part of this Wonderful Team.</p>
