Our School Vision

Everyone Belongs, Everyone Achieves

At Wilton CE Primary school children's learning and the growth of every member of our community is central to all that we do. We seek to foster a love of learning to enable everyone to realise their full potential. Wilton is a school where all are welcome and everyone has a true sense of belonging. All members of the community are encouraged to develop their own spirituality and respect the beliefs of others. Everyone has a voice that is listened to and, when appropriate, acted upon. We have high aspirations for ourselves and for everyone in our community. Wilton is a school where the term 'impossible' never goes unchallenged.

We have five core Christian values that underpin all that we do...

- **Courage** – Nothing should ever go unchallenged, be brave and challenge yourself
- **Kindness** – Treat everyone as you wish to be treated
- **Love** – Love for God, love for each other, love for learning
- **Perseverance** – Have the highest aspirations of yourself and others, never give up
- **Respect** – Listen to one another, everyone is unique, everyone has a voice

⁴ We have many parts in the one body, and all these parts have different functions. ⁵ In the same way, though we are many, we are one body in union with Christ, and we are all joined to each other as different parts of one body. ⁶ So we are to use our different gifts in accordance with the grace that God has given us. If our gift is to speak God's message, we should do it according to the faith that we have; ⁷ if it is to serve, we should serve; if it is to teach, we should teach; ⁸ if it is to encourage others, we should do so. Whoever shares with others should do it generously; whoever has authority should work hard; whoever shows kindness to others should do it cheerfully. Romans 12: 4 - 8

Background to DSAT

The Diocese of Salisbury Academy Trust (DSAT) was established at the end of 2013 to provide a home for schools within the Diocese of Salisbury who wanted to convert to academy status. From January 2021, the Trust has twenty-two academies. Whilst the Trust is a separate entity to the Diocesan Board of Education (DBE), they work together in dynamic and strategic partnership to transform provision and outcomes for the children in their care.

Alongside its improvement work in its current member academies, the Trust is working actively with other schools and the Regional Schools Commissioner (RSC) to grow its family of academies. This will enable a greater level of system-led improvements, further opportunities for collaboration between leaders and staff at all levels of the organisation and better economies of scale, vital in the current challenging economic climate.

DSAT provides an opportunity for schools to convert to academy status in a way that is different to many academy trusts.

- Individual schools that can thrive in their own context and in line with their own vision and values;
- A home for church schools committed to maintaining their distinctiveness, based upon their Christian values;
- A home for schools without a Christian foundation, who are wanting to work with us in partnership to secure better outcomes for children;
- A dynamic collaboration, working in conjunction with a range of partners, to deliver tailored programmes of school improvement that will meet the needs of each academy;
- Services available to academies that will support improvements to teaching and learning, allowing schools to focus on their core business rather than being distracted by academy business;
- The flexibility to meet schools where they are on their journey and to adapt to their specific circumstances;
- Opportunities to operate in close partnership and strong relationship with the DBE, the RSC and local authorities for the good of our academies.

The Salisbury Diocesan Board of Education (SDBE), formed in 1830, is one of the oldest formal diocesan bodies. Many of the church schools were founded before that date, and the Board was formed to support their work and to promote new schools. The Diocese today extends over 2,000 square miles, with a population of just under 860,000. There are a total of 195 schools and academies serving 40,000 children. The SDBE works across a number of counties and local authorities, working closely in mutually beneficial partnership with them in order to progress the life-chances of the children in their care. DSAT is open to both church and non-church affiliated schools across the region.
