

Dear Candidate

Thank you for your application for a teaching post within Robin Hood Multi Academy Trust.

Rather than writing a personal statement on your application we would like you to introduce yourself by making a short video clip from your phone and share it with us. This can easily be done by downloading the Vidyard app and sharing your video with pa@robinhoodmat.co.uk. If you would prefer to share your videos via YouTube or by any other means, that's fine, as long as they are accessible for headteachers across the Trust to view.

Please include;

- Teaching strengths from experience or recent teaching practices
- Things you are interested in/need to develop further
- Something about yourself - interests outside of teaching

We are not looking for a professional job, just an introduction to yourself of no more than a minute or so..

After receiving your application and video introduction we will shortlist and contact you again next week to arrange an interview.

Kind regards
