Further Recruitment Information

This School values the diversity of our workforce and welcomes applications from all sectors of the community.

This role is UK based and your Right to Work will need to be established as part of the appointment process.

This School is committed to safeguarding, preventing radicalisation and promoting the welfare of children and expects all staff to share this commitment. If successful, you will be required to undergo vigorous pre-employment checks including Enhanced DBS clearance in line with the Government's safer recruitment guidelines.

The School will conduct online searches of shortlisted candidates. This check will be part of a safeguarding check, and the search will purely be based on whether an individual is suitable to work with children. All aspects of social media and internet searches will be conducted. As care must be taken to avoid unconscious bias and any risk of discrimination, a person who will not be on the appointment panel will conduct the searches and will only share information if and when findings are relevant and of concern.

This post is exempt from the Rehabilitation of Offenders Act (ROA) 1974. The amendments to the ROA 1974 (Exceptions Order 1975, (2013 and 2020)) provide that when applying for certain jobs and activities, certain spent convictions and cautions are 'protected', so they do not need to be disclosed to employers, and if they are disclosed, employers cannot take them into account. The MOJ's guidance on the Rehabilitation of Offenders Act 1974 and the Exceptions Order 1975, provides information about which convictions must be declared during job applications and related exceptions and further information about filtering offences can be found in the DBS filtering guide.
