BOURNE EDUCATION TRUST OVERVIEW

ABOUT BET

Bourne Education Trust ('BET') is a successful multi-academy trust made up of twenty three schools (plus four further associate schools), across primary, secondary and specialist school phases in Surrey, Hampshire and the London Borough of Richmond upon Thames.

Specialising in supporting schools to improve their performance, BET continues to grow a community of like-minded academies with the highest aspiration and dedication to achieving the best outcomes for their learners.

At BET, we are responsible for the education of approximately 13,000 pupils and employ a dedicated team of just over 1,500 staff members. Our organisational structure is designed to facilitate collaboration and innovation, with schools grouped into phases and clusters to further allow specialised and cross-phase work.

The size of our schools range from a one-form entry primary to an eight-form entry secondary school with a sixth form, however schools are equally important and carry the same influence in terms of decision-making in line with our commitment to inclusivity and fairness.

Central to our mission is the belief that every child, regardless of their background, deserves access to a high-quality education and as an employer we know that our people are the key to our success – so for this reason you will find a culture of excellence across our schools, inspiring confidence and belief in our communities.

BET VALUES

BET's values are summarised by our strapline: 'Transforming schools; changing lives'. We absolutely believe that all children regardless of context or background deserve a great education, hence our involvement in schools and communities that have not always experienced this. Whilst we want our schools to retain their own identity, all BET schools share environments that are extremely warm and welcoming, professional, relentlessly positive, highly aspirational and characterised by happy and safe pupils with excellent relationships between them and the staff. In all classrooms and beyond pupils enjoy creative and effective teaching and learning that fosters belief and confidence.

Our philosophy is to have schools working as effectively as possible and serving their community. We err towards independence but never forget we are one organisation working together. Our schools welcome the support of the Trust and its collective ethos but relish their remit as local schools and the responsibility that brings. We are highly focussed on our work on equality, diversity and inclusion ('EDI') and environment, social and governance ('ESG') to ensure our organisation is highly sustainable and a driver for social justice. This permeates through our Trust-wide think tank, our CPD offer and our quality assurance approach.
