Do you believe in The Stonesfield Way?

Stonesfield Primary School sets high academic standards for all our pupils: supporting and challenging everyone to achieve their best. Our ambitious curriculum teaches our pupils to succeed on life's journey by developing confident and resilient children who become knowledgeable, active citizens caring for our planet. We are kind and inclusive, we celebrate individuals, and we promote respect of ourselves, others and our locality. We value the wellbeing of our staff and pupils by promoting good physical and mental health and fostering a warm, nurturing safe environment.

Our school is situated in beautiful, stonewalled grounds at the centre of the attractive village of Stonesfield in West Oxfordshire. We are easily accessible from central and west Oxfordshire: 30 minutes from Oxford and Bicester, 15 minutes from Witney, 20 minutes from Chipping Norton. We have approximately 100 children on roll taught in 4 classes.

We can offer a supportive environment and opportunities to engage with evidence-informed approaches to teaching and current research. We want our teachers to teach and to love doing it!

Applications should be made using the Oxfordshire County Council application form available on our school website. Email applications to office.2353@stonesfield.oxon.sch.uk by 12noon on Friday 20th May 2022. Interviews will take place on Wednesday 25th May.
